a WHOIS on ars.samsung.com shows it as part of samsung.com. this shows a table and the row for RV510 has 8GB as the maximum. (although I can't find a way to get to this page from the samsung site) on the online shops, theres about an equal amount that say 4GB as say 8GB max. for example; Scan & British Home Stores say 8GB, Dabs & aria say 4GB.
