~~I know the title is just "100 manga artists" and not "Top 100 manga artists" but i somehow feel like its weird that they left out big names such as Tite Kubo, the artist of Bleach, and Hiromu Arakawa, the artist of Fullmetal alchemist. The text is also really small and on a red background so its kinda hard to read.~~

Creating manga is a tradition that has been around in the east since the 12th century in the form of scroll art, though the first serialized manga, Sazae-San by Michiko Hasegawa, was published back in 1946. Since then, the art form has evolved uncontrollably in Japan and has taken hold in nearly every aspect of the culture. Manga fans can find manga about nearly anything.
