It's quiltmaking made as simple as paint-by-numbers! With a new method called foundation piecing, you just follow a numerical sequence to stitch fabric onto a foundation. Even the smallest pieces meet precisely, quickly, and accurately. With 365 projects, you could make one every day of the year. They're organized month-by-month, so you could make a patriotic quilt with the July blocks; a Thanksgiving quilt in November; a Christmas quilt with the December blocks; or pretty floral quilts with each month's flowers. (There are also some whimsical designs such as the yellow submarine that marks the day the Beatles came to America.) Photos of quilts made with blocks for each month accompany the complete instructions for the entire foundation piecing process.

Beginning with a history of these much-admired quilts, this lushly photographed collection moves on to interesting up-to-date patterns, many of which have been especially created by well-known artisans. Breathtaking full-color images showcase such variations as Log Cabin Skylines, Cubes, and Stained Glass, and they re all presented with illustrated, easy-to-follow instructions on techniques ranging from templates to foundation piecing. With such complete directions, even the beginner will be able to complete one of these very special quilts.

Brimming with exciting projects--50 in all--this collection provides extraordinary value. Choose from decorative crib quilts, lap quilts, and bed-sized quilts in a variety of fabric combinations. Create everything from two-fabric designs to scrappy multiple-fabric quilts. Featuring traditional patchwork and fast cutting and piecing techniques, these quilts have broad appeal--as one would expect from such a well-loved designer!
