Volvo Penta 2001 in Boat Engines & Motors for sale | eBay

Here we have a Volvo Penta 2001 diesel inboard marine engine. This is in good condition and runs well, it'd just need a service and should be ready to be used. There are no nasty noises or broken parts and I'd say it's only had fresh water use. The water pump works well with good flow. Mechanically it sounds, fantastic with no nasty noises or leaks.
