A Gary Revel Memoir: Details of the birth, youth, education, music, US Navy service, experiences in; San Diego/Hollywood, California, Memphis/Nashville, Tennessee. More: Playing poker with men in a rough and tumble southern juke joint is not the typical activity of a 10 year old boy but it was for Gary Revel. Dancing with waitresses to Rock & Roll, Blues and Country music coming from the jukebox was also part of his usual child's play. Once he accepted the request to associate in the investigation of the MLK assassination he started his journey that would eventually take him into Brushy Mountain Prison in Petros Tennessee to meet the supposed killer of Martin Luther King Jr., James Earl Ray. Danger, intrigue and murder followed as he entered the darkness of the investigation of the Martin Luther King Jr. assassination.

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am*. Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationery, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

A neurobiologist reexamines the personal nature of perception in this groundbreaking guide to a new model for our senses. We think of perception as a passive, mechanical process, as if our eyes are cameras and our ears microphones. But as neurobiologist Susan R. Barry argues, perception is a deeply personal act. Our environments, our relationships, and our actions shape and reshape our senses throughout our lives. This idea is no more apparent than in the cases of people who gain senses as adults. Barry tells the stories of Liam McCoy, practically blind from birth, and Zohra Damji, born deaf, in the decade following surgeries that restored their senses. As Liam and Zohra learned entirely new ways of being, Barry discovered an entirely new model of the nature of perception. *Coming to Our Senses* is a celebration of human resilience and a powerful reminder that, before you can really understand other people, you must first recognize that their worlds are fundamentally different from your own.

Conversations with Angels 2 are true stories of miracles experienced by the Author Slavica Bogdanov. Slavica Bogdanov has been guided by Archangel Michael, her guardian Angel. She has been inspired to write these stories so that, you too, can feel inspired and know that Angels are there with you along your path. She has received messages of love and forgiveness she shares with you so that you can also start a conversation with your own Angels. Slavica Bogdanov has published many books. She is a success life coach and a professional speaker. She has been enlightened by her guardian Angel Michael and feels strongly the need to share the light so you can experience the same happiness in your lives. Even in the darkness moments, your spirit can feel uplifted. Anything is truly possible. You have the right to a magical life. <http://www.slavicabogdanov.com>
