As a Social Studies teacher, I have praised the uniqueness of the 240 year democratic experiment that is America. On Election Day, November 8, 2016 I began to question my faith in America. My questions soon turned to self-doubt as to whether I had truly taught my students how to question, reason, or listen well.

Social Studies—Reflections on Teaching & Learning

Reflection questions allow students to think about their thinking. This kind of questioning allows students to better understand how they are working or learning so they can make changes and adjustments from there. Reflection takes time, and often students think that once their work is complete, they should be finished.
