Ebenezer Scrooge is a miserly old skinflint. He hates everyone, especially children. But at Christmas three ghosts come to visit him, scare him into mending his ways, and he finds, as he celebrates with Bob Cratchit, Tiny Tim and their family, that geniality brings its own reward. This finest of all Christmas stories is beautifully illustrated with Arthur Rackham's superb line drawings. To ...

If you were to revisit, say, the 1984 CBS Christmas Carol with George. C. Scott as Scrooge, the 1999 Hallmark version starring Patrick Stewart, or even that weird Disney CGI one with Jim Carey, you'd note that they all stay very loyal to the original text of 1843, while obviously owing a debt of influence to the 1951 British film Scrooge, and the great Alistair Sim's interpretation of the ...

Dec. 04. Malcolm Andrews, editor of 'The Dickensian', tells the story of this much-loved Christmas classic. On a cold January evening in 1858, Charles Dickens stepped onto the stage of a large hall in Bristol. Several hundred people in the audience waited for him to begin to read A Christmas Carol to them.

~~A-Christmas-Carol—Wordsworth-Editions~~

A CHRISTMAS CAROL 14 some labourers were repairing the gas-pipes, and had lighted a great fire in a brazier, round which a party of ragged men and boys were gathered: warming their hands and winking their eyes before the blaze in rapture. The water-plug being left in solitude, its overflowings sullenly congealed, and turned to misanthropic ice.

~~A-Christmas-Carol-(Wordsworth-Classics)-(Book)-on-OnBuy~~

A Christmas Carol is a timeless classic, and I think you'd be hard pushed to find someone who doesn't know the story of Scrooge. Even if, like me, you're more a fan of The Muppets than of Victorian classic literature, I think this is one that is worth giving a shot.

Ebenezer Scrooge is a miserly old skinflint. He hates everyone, especially children. But at Christmas three ghosts come to visit him, scare him into mending his ways, and he finds, as he celebrates with Bob Cratchit, Tiny Tim and their family, that geniality brings its own reward. This finest of all Christmas stories is beautifully illustrated with Arthur Rackham's superb line drawings.

Never out of print since its initial appearance in 1843, A Christmas Carol has been adapted countless times to the stage, radio, television, film and opera. The selfish miser Scrooge's name has become synonymous with greed and indifference to the welfare of others. His immortal Christmas eve visitations by the Ghosts of Christmas Past, Present and Yet to Come have become a cultural fixture and a fundamental part of the Christmas Holidays around the world. A Christmas Carol was conceived by the author with the deliberate intent of shaking his audience with an emotional tale designed to inspire compassion and charity toward the disadvantaged, especially children. Scrooge's surreal, spellbinding journey into the meaning of Christmas, with its climactic insistence that a life lived without love and charity is no life at all, provides readers with one of literature's finest, most unforgettable entertainments while celebrating the good in humanity and providing the world with the most cherished Christmas story ever written. With an eye-catching new cover, and professionally typeset manuscript, this edition of A Christmas Carol is both modern and readable.

Ebenezer Scrooge is a miserly old skinflint. He hates everyone, especially children. But at Christmas three ghosts come to visit him, scare him into mending his ways, and he finds, as he celebrates with Bob Cratchit, Tiny Tim and their family, that geniality brings its own reward. This finest of all Christmas stories is beautifully illustrated with Arthur Rackham's superb line drawings.

~~Classic-Fiction-Books—WHSmith~~

Each of these short stories was written specifically for Christmas. They combine concern for social ills with the myths and memories of childhood and traditional Christmas spirit-lore. The stories include "A Christmas Carol", "The Chines", "The Battle of Life" and "The Cricket on the Hearth".

"This volume is a compilation of short novels that Charles Dickens wrote annually for the holiday season during the 1840s."--Page 4 of cover.

Ordinarily, no one would have imagined that Jack Rankin would vandalize a desk. But this was not an ordinary school year for Jack... When Jack Rankin learns that he is going to spend the fifth grade in the old high school -- the building where his father works as a janitor -- he dreads the start of school. Jack manages to get through the first month without the kids catching on. Then comes the disastrous day when one of his classmates loses his lunch all over the floor. John the janitor is called in to clean up, and he does the unthinkable -- he turns to Jack with a big smile and says, "Hi, son." Jack performs an act of revenge and gets himself into a sticky situation. His punishment is to assist the janitor after school for three weeks. The work is tedious, not to mention humiliating. But there is one perk, janitors have access to keys, keys to secret places...

Our Mutual Friend, written in the years 1864-65, is the last novel completed by Charles Dickens and is one of his most sophisticated works, combining psychological insight with social analysis. It centres on, in the words of critic J. Hillis Miller, "money, money, money, and what money can make of life", but is also about human values. In the opening chapters a body is found in the Thames and identified as that of John Harmon, a young man recently returned to London to receive his inheritance. Were he alive, his father's will would require him to marry Bella Wilfer, a beautiful, mercenary girl whom he had never met. Instead, the money passes to the working-class Boffins, and the effects spread into various corners of London society.....
