A Spell of Time is book ten in The Shade Of Vampire series by Bella Forrest. Although this particular book is not quite as intense as some of the others, I still completely enjoyed it. We get to know Caleb a lot better in this one. He is such a tortured soul.

What if the Elders were not the beginning? Amal and Amane have discovered something remarkable: the location of the protein which allows Derek to walk in the sun, even as a vampire. Along with Tristan and Esme Vaughn, the grown-up grandchildren of Anna and Kyle, Derek and Sofia set out to learn more about the world from which the protein originates - and, most importantly, its residents. On arrival, however, they encounter a new, yet mysteriously familiar species...one which may predate even the oldest vampire or Mara - and lead them to question everything they thought they knew. She wakes here as a slave, a captive in chains. Sofia's life takes a thrilling and terrifying turn when she is selected out of hundreds of girls to take up residence in the tree-top harem of Derek Novak, the dark royal prince. Despite his addiction to power and obsessive thirst for her blood, Sofia soon realizes that the safest place on the island is within his quarters, and she must do all within her power to win him over if she is to survive even one more night. Will she succeed? Or is she destined to the same fate that all other girls have met at the hands of the Novaks?
