Tells the story of Alexander Hamilton, one of America's most influential and fascinating founding fathers, who died an untimely death in a duel with Aaron Burr.

Readers will learn the story of the "ten-dollar Founding Father" who inspired the smash Broadway musical "Hamilton." Illustrations.

Find out more about this famous Founding Father! With his face on the ten-dollar bill and an award-winning musical about his life, it's clear that Alexander Hamilton's story is one worth telling. Despite feeling like an outsider, Hamilton fought hard to form a united nation with a strong central government--and many of his ideas are still relevant today! With this illustrated leveled reader, kids can learn more about the man who, in many ways, was a true American hero.

Alexander Hamilton, born in the British West Indies, was an outsider from the very beginning. His illegitimate birth drove him to prove his worthiness to others throughout his life. His quest for honor was one of the defining characteristics that colored his decisions. Hamilton was a small man with a large ambition, and this would drive him to greatness and create some powerful enemies in his wake. Alexander Hamilton's life was not without its share of tragedy. Before his fifteenth birthday, his father had abandoned the family and his mother had died of yellow fever. Luckily for young Alexander, a group of benefactors realized his potential and paid to have him sent to the British colony, America, for an education. After serving as General Washington's aide-de-camp during the Revolutionary War, Hamilton returned to his law practice and soon entered politics. In 1787, he would help draft the Constitution of the United States and then write a series of critical essays, called the Federalist Papers, which were key to ratification of the Constitution. Hamilton's position on the role of government was for a strong Federal government. President Washington nominated Hamilton to become the first Secretary of the Treasury. During his tenure as Secretary of the Treasury, he set the nation on a sound fiscal footing, established the first national bank, and a

mint to produce coinage. Hamilton was a master of setting up institutions within the government and making bitter enemies of powerful men, such as John Adams, Thomas Jefferson, and Aaron Burr. One of Hamilton's political rivalries would turn very personal as Aaron Burr, the sitting Vice President of the United States, was seeking retaliation for Hamilton's disparaging remarks. Hamilton's honor would not let him decline Burr's challenge to a duel. The outcome of the duel was fatal for Alexander Hamilton - dead at age forty-nine, leaving behind a wife, seven living children, and a legacy that would survive the centuries Spend some time with this distinguished American and buy the book, Alexander Hamilton - A Short Biography. 30 Minute Book Series Welcome to the ninth book in the 30 Minute Book Series. Each book in the series is fast-paced, well-written, accurate, and covers the story in as much detail as a short book allows. His writing interests are general, with special expertise in science, biographies, and "How To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University.

The accolades speak for themselves:"Fritz draws the readers into scenes from her youth in the turbulent China of the mid-twenties. One comes to appreciate the generous affection of her nurse/companion Lin Nai-Nai, the isolating distance in her mother's grief over losing a second child, the dynamics of a suffering population venting its hostility on foreigners, and most of all, the loneliness of a child's exile from a homeland she has imagined constantly but never seen....A remarkable blend of truth and storytelling." --Booklist, starred review"An insightful memory's-eye-view of her childhood...Young Jean is a strong character, and many of her reactions to people and events are timeless and universal." --School Library Journal, starred review"Told with an abundance of humor--sometimes wry, sometimes mischievous and irreverent--the story is vibrant with atmosphere, personalities, and a palpable sense of place." --The Horn Book"Every now and then a book comes along that makes me want to send a valentine to its author. Homesick is such a book....Pungent and delicious." --Katherine Paterson, The Washington Post

Learn more about the men who inspired Hamilton: The Musical in this fascinating look at the historical friends turned revolutionary rivals! In curiously parallel lives, Alexander Hamilton and Aaron Burr were both orphaned at an early age. Both were brilliant students who attended college--one at Princeton, the other at Columbia--and studied law. Both were young staff officers under General George Washington, and both became war heroes. Politics beckoned them, and each served in the newly formed government of the fledgling nation. Why, then, did these two face each other at dawn in a duel that ended with death for one and harsh criticism for the other? Judith St. George's lively biography, told in alternating chapters, brings to life two complex men who played major roles in the formation of the United States.

Complex, passionate, brilliant, flawed—Alexander Hamilton comes alive in this exciting biography. He was born out of wedlock on a small island in the West Indies and orphaned as a teenager. From those inauspicious circumstances, he rose to a
