Includes an original Sookie Stackhouse story TALES OUT OF SCHOOL BY ILONA ANDREWS • AMBER BENSON • RHYS BOWEN • MIKE CAREY • CHARLAINE HARRIS • DONALD HARSTAD • STEVE HOCKENSMITH • NANCY HOLDER • FAITH HUNTER • TONI L. P. KELNER • MARJORIE M. LIU • JONATHAN MABERRY • THOMAS E. SNIEGOSKI What could be scarier than the first day of school? How about a crash course in the paranormal from Charlaine Harris and Toni L. P. Kelner, editors of Games Creatures Play? Your worst school nightmares—taking that math test you never studied for, finding yourself naked at a school assembly, not knowing which door to enter through—will pale in comparison to these thirteen stories that take academic anxiety to realms you never dared to imagine. You'll need more than an apple to stave off these creatures. Remember your first lesson: Resistance is fruitless!

Charlaine Harris and Toni L. P. Kelner have selected the best of a rare crop of supernatural and urban fantasy stories from some of the greatest writers in the school, including a brand new Sookie Stackhouse story.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "An Apple for the Creature." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

This collection of 14 short stories chosen by the editors of An Apple for the Creature features paranormal creatures enjoying their favorite hobbies, pastimes and contact sports and includes a brand-new tale featuring Sookie Stackhouse and Manfred Bernardo. 100,000 first printing.

A woman discovers the literal skeleton in her family's closet in the first Family Skeleton Mystery! Moving back into her parents' house with her teenage daughter had not been Georgia Thackery's "Plan A." But when she got a job at the local college, it seemed the sensible thing to do. So she settled in and began reconnecting with old friends. Including Sid. Sid is the Thackery family's skeleton. He's lived in the house as long as Georgia can remember, although no one, including Sid, knows exactly where he came from and how he came to be a skeleton. Sid walks, he talks, he makes bad jokes, he tries to keep Georgia's dog from considering him a snack. And he manages to persuade Georgia to let him leave the house. But when she takes him to an anime convention—disguised as a skeleton, of course—he sees a woman who triggers memories of his past. Now he is determined to find out how he died—with Georgia's help. But their investigation may uncover a killer who's still alive and well and bad to the bone...

In the air, on the ground, and in the water, incredible tiny creatures are all around us! They may be small, but they live remarkable lives. The Book of Tiny Creatures introduocs young learners to spiders, butterflies, worms, snails, and even the world's heaviest insect, the Little Barrier Island giant weta. This fun-filled book teaches children fascinating facts through interactive quizzes, detailed seek-and-find scenes, and hands-on activities, like how to make a snail terrarium. A great first STEM read, The Book of Tiny Creatures reveals the wonder of how these creatures grow, reproduc, form communities, and more.

A Belletrist Book Club Selection "Van Meter's debut is an unwavering triumph... A coming-of-age that's as human as it is wild." —The New York Times Book Review On the eve of Evangeline's wedding, on the shore of Winter Island, a dead whale is trapped in the harbor, the groom may be lost at sea, and Evie's mostly absent mother has shown up out of the blue. From there, in this mesmerizing, provocative debut, the narrative flows back and forth through time as Evie reckons with her complicated upbringing in this lush, wild land off the coast of Southern California. Evie grew up with her well-meaning but negligent father, surviving on the money he made dealing the island's world-famous strain of weed, Winter Wonderland. Although her father raised her with a deep respect for the elements, the sea, and the creatures living within it, he also left her to parent herself. With wit, love, and bracing flashes of anger, Creatures probes the complexities of love and abandonment, guilt and forgiveness, betrayal and grief—and the ways in which our childhoods can threaten our ability to love if we are not brave enough to conquer the past. Lyrical, darkly funny, and ultimately cathartic, Creatures exerts a pull as strong as the tides.

Night is coming, and so are they. Milena's twentieth birthday, the day she would join the ranks of her village's hunters, should have been the most exciting day of her life. Being a hunter meant she would be able to help protect her village from the murderous wolves who take human form—the creatures of the night. But a chance encounter with Elias, the enigmatic leader of the creatures, leaves her questioning everything she has ever believed to be true. Up until now, Elias has managed to protect the creatures of the night and keep the secrets of his past well hidden. Now, as tensions between the groups grow, Elias is forced to make hard decisions: ones that will cost lives. Nobody is safe, especially Milena, the person he is inexplicably drawn to even though it could destroy them both. Equal parts suspense, mystery, and romance, Creatures of the Night captures the struggle between learning to trust your instincts and each other.

Photographer Andrew Zuckerman's collection of astonishing studio portraits of 175 wild creatures from baby leopards to parrots, bears, mandrills, and many more are stunningly foregrounded against white backgrounds, depicting their subjects with rare sensitivity, insight, humor, and wonder. --From publisher description.

With echoes of Toni Morrison's Beloved, Yejid's novel explores a forgotten quadrant of Washington, DC, and the ghosts that haunt it. "Yejid's writing captures both real news and spiritual truths with the deftness and capacious imagination of her writing foremothers: Zora Neale Hurston, Toni Morrison and N.K. Jemisin... Creatures of Passage is that rare novel that dispenses ancestral wisdom and literary virtuosity in equal measure." --Washington Post "Creatures of Passage resists comparison. It's reminiscent of Beloved as well as the Odyssey, but perhaps its most apt progenitor is the genre of epic poems performed by the djelis of West Africa...All these otherwise clashing elements become, in this cast, a cohesive whole, telling us that this, too, is America." --New York Times Book Review "In its luminous prose, and its nods to mysticism and myth, the novel brings to mind the best of Toni Morrison. It's that good." --Washington Post. One of the Best Books about Washington, DC, recommended by George Pelecanos "Yejid's surreal new novel has no shortage of otherworldly surprises, but it's her this-worldly protagonist who steals the show...Informed by a richly woven mythology and propelled by themes of regret and revenge, Creatures of Passage has earned some apt comparisons to Toni Morrison's Beloved." --Philadelphia Inquirer, One of the Best Books of Winter 2021 "Written over the course of 17 years, Morowa Yejid's new book, Creatures of Passage, is set in Anacostia in 1977 and follows twins—one living, one dead—who share names with the Egyptian gods Nephthys and Osiris. But that barely hints at the richness and complexity of the book's many strands." --Washingtonian "Hauntingly magical, this sophomore novel by Morowa Yejid centers a young woman dealing with the loss of her brother, her young great-nephew who mysteriously shows up at her door and Washington, DC, the city that provides an otherworldly backdrop to this imaginative thriller." --Ms. Magazine, A Most Anticipated Book of 2021 "Morowa Yejid's Creatures of Passage gives readers a chance to experience grief and intergenerational trauma in a unique way." --The Root "This enthralling, otherworldly story follows Nephthys Kinwell, a taxi driver in Washington, D.C., as she grapples with grief." --Woman's World "Comparisons to Toni Morrison's masterpiece Beloved always perk up our ears, but in the case of Morowa Yejid's Creatures of Passage the hype is warranted...History-haunted in the best sense, readers shouldn't miss this mythic thriller." --Chicago Review of Books Nephthys Kinwell is a taxi driver of sorts in Washington, DC, ferrying passengers in a 1967 Plymouth Belvedere with a ghost in the trunk. Endless rides and alcohol help her manage her grief over the death of her twin brother, Osiris, who was murdered and dumped in the Anacostia River. Unknown to Nephthys when the novel opens in 1977, her estranged great-nephew, ten-year-old Dash, is finding himself drawn to the banks of that very same river. It is there that Dash—reeling from having witnessed an act of molestation at his school, but still questioning what and who he saw--has charmed conversations with a mysterious figure he calls the "River Man." When Dash arrives unexpectedly at Nephthys's door bearing a cryptic note about his unusual conversations with the River Man, Nephthys must face what frightens her most. Morowa Yejid's deeply captivating novel shows us an unseen Washington filled with otherworldly landscapes, flawed super-humans, and reluctant ghosts, and brings together a community intent on saving one young boy in order to reclaim itself.
