Human Services aims to improve people's well-being, and is especially concerned with the welfare of those who experience some form of disadvantage. This book is about social policy in Australia: its purpose and

Online Library Australian Social Policy And The

Human Services
meaning, how it operates
now, how it has operated in
the past, and the social
policy challenges for the
future.

Australian social policy - CORE

Australia has followed other

Online Library Australian Social Policy And The

Human Services
Anglo-Saxon countries in
adopting increasingly
conditional and
paternalistic measures that
undermine the protection of
social citizenship outside
the labour market. In
contrast, this text makes

Online Library Australian Social Policy And The

Human Services
the case for an alternative
participatory and
decentralized welfare state
model that would prioritize
social care by empowering
and supporting welfare
service users at a local
community level.
