“ Bigger isn ' t always better ” . Jokes aside, there is some truth to this statement. When people hear these words Big Data, many think to call it a joke and mess around with all the lifted truck owners, bigger boats, or corporations that attempt to create a monopoly. We must remember that the goal of a company is to make money, at least if they are for-profit.

Why Bigger Isn't Always Better. April 21, 2015. September 23, 2019. As the years go by, it seems we have all been buying more and more into the cliché “ bigger is better ” . I have to admit, I wouldn't refuse a bigger paycheck each week, or a bigger piece of mom's apple pie after dinner, but there are lots of other instances where bigger can create other issues that may lead you to real trouble.
