Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of 5smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

A boy learns the secret to locating his missing stuffed bunny in this picture book about the extraordinary power of imagination, from the team behind the phenomenally bestselling The Secret. When Henry's beloved stuffed rabbit, Raspberry, goes missing, he enlists his whole family to help him search for the missing toy. But Raspberry can't be found. Then Henry's grandfather suggests that Henry use his imagination to find his rabbit. Will the power of Henry's imagination bring Raspberry back? Or is Raspberry gone for good? Depicting the love of a boy for his toy and the power of friendship, The Power of Henry's Imagination is sure to become an instant classic.

"Clarence is gone!" Christine cried, wringing her hands. "Becky has been looking for him, and he's disappeared!" "Are you sure he's not somewhere around?" asked Skinny. "He really is gone," said a very white and trembling Becky, "and it looks like he was killed!" "I'll go see," said Skinny, and ran toward the place where Clarence had been chopping their wood supply. Five orphaned children. Mysterious Secrets. The quest for a lost treasure. Danger lurking down every dark alley. Undying love and loyal friendships. Thus begins the amazing adventures of The Company of Secret Kids. Thrown together by chance, five kids experience adventures beyond belief, from the plains of Africa to the streets of Paris. Pitted against evil villains they valiantly fight for their beliefs.

Cipher and decipher codes: transposition and polyalphabetical ciphers, famous codes, typewriter and telephone codes, codes that use playing cards, knots, and swizzle sticks . . . even invisible writing and sending messages through space. 45 diagrams.

A celebration of the meaning and comfort printed books bring to our homes and lives, from the curation and design experts at Juniper Books. Explore the significance of the home library, embellished with alluring photography and illustrations, in a keepsake worthy of any bibliophile's collection. For the Love of Books shares the vision of Juniper Books, a business that embraces the roles that books fulfill in our lives and their staying power. It recounts the history of books and private libraries, and champions the resilience of books in the digital era. Dive into the nuances that define books for reading, books for decoration, and books for inspiration. Instructive chapters provide useful details for creating and curating one's own home library, whether it be a single shelf or multiple rooms each with their own collection. You will never look at your bookshelves the same way again. For the Love of Books is about storytelling beyond the pages of our favorite books. Our books—the ones we choose to keep—tell the story of who we are. They remind us who we once were and who we aspire to be. Thatcher Wine founded Juniper Books in 2001. The company creates custom libraries and has perfected the art of turning books inside out to allow for books to tell stories not just to us, but about us. Working with booklovers, homeowners, and designers, Juniper Books has provided the world with a fresh new approach to the printed book. Thatcher grew up in New York City where his parents owned and operated The Quilted Giraffe, one of the most innovative restaurants in America. Thatcher graduated from Dartmouth College with a degree in history and art history and lives in Boulder, Colorado. Elizabeth Lane is the founder of Quarterlane, a quarterly subscription book service which merged with Juniper Books in 2018. She is also the book buyer for her local independent bookstore, Partners Village Store and Kitchen in Westport, Massachusetts. Prior to working in books, Elizabeth worked in contemporary visual art—in galleries, nonprofit initiatives and museums in New York, Austin, and Chicago. Elizabeth graduated from Davidson College with a degree in art history and received her masters degree from the School of the Art Institute of Chicago.

For the first time ever, bestselling author Eckhart Tolle brings the core of his teachings to children, ages 7 to 100. Beautifully illustrated and artfully expressed, this charming story will bring joy to children and their parents for decades to come. Milton, who is about eight years old, is experiencing bullying on the school playground at the hands of a boy named Carter. Because he is being picked on, Milton no longer enjoys going to school. In fact, he dreads each morning because of his fear of Carter. By discovering the difference between Then, When, and the Now, Milton is able to shed his fear of being bullied. Living in the Now, he no longer dreads encountering Carter—and this changes everything. Milton's Secret will not only appeal to the millions of adult readers of Tolle's other books, but also to any parent who wants to introduce their children to the core of Tolle's teachings: Living in the Now is the quickest path to ending fear and suffering.

A mysterious scroll transports a brother and sister back in time to God's creation of the world in the first installment of this action-packed chapter book series for emerging readers. The Secret of the Hidden Scrolls series follows siblings Peter and Mary and their dog, Hank, as they discover ancient scrolls that transport them back to key moments in biblical history. In the first adventure in the series, Peter and Mary find themselves witnesses to the creation of the world just as God is speaking it into existence. Can they unlock the mystery of the scrolls before they get trapped in history forever? Children will discover the answer as the two characters ride rhinos, meet the angel Michael, and talk to a certain snake in the Garden of Eden. Riveting text and engaging illustrations bring this beloved Bible story to riotous life.

Being a teen or tween isn't easy for anyone but it can be especially tough for Asperkids. Jennifer O'Toole knows; she was one! This book is a top secret guide to all of the hidden social rules in life that often seem strange and confusing to young people with Asperger syndrome. The Asperkid's (Secret) Book of Social Rules offers witty and wise insights into baffling social codes such as making and keeping friends, blending in versus standing out from the crowd, and common conversation pitfalls. Chock full of illustrations, logical explanations, and comic strip practice sessions, this is the handbook that every adult Aspie wishes they'd had growing up. Ideal for all 10-17 year olds with Asperger syndrome, this book provides inside information on over thirty social rules in bite-sized chunks that older children will enjoy, understand, and most importantly use daily to navigate the mysterious world around them.
