In this vital work, author Michael Levine offers compelling evidence that problems in business, large and small, typically stem from inattention to tiny details.

Broken Windows, Broken Business: How the Smallest Remedies ...

The broken window theory explains, even something as small and seemingly harmless as a broken window sends a signal. If the window doesn't get fixed, the owner doesn't care or isn't paying attention. In that case, perhaps more serious infractions such as theft or violent crime might be tolerated here as well.

Broken Windows, Broken Business : How the Smallest ...

Law enforcement under the broken window theory asserts that each offence should be treated equally—jaywalking and murder should be prosecuted with equal fervour. It is a doctrine of consistency. More recently, Michael Levine, in his book Broken Windows, Broken Business, applies the broken window theory to business. In the context of a business, a broken window results from a lack of attention to detail.

Broken windows, broken business - Change Factory

This business strategy of using the Broken Windows theory for higher business performance via human resource management requires the reduction or elimination of “broken windows,” which include improperly constructed venues, inefficient layouts, disorganized materials, rusty and malfunctioning equipment, and dusty floors and seats.

"In this vital w Once every few years a book comes along with an insight so penetrating, so powerful - and so simply, demonstrably true -that it instantly changes the way we think and do business.

Broken Windows, Broken Business by Michael Levine

The “broken window” is the first step in a neighborhood’s slow decline and deterioration. In the neighborhood, over time - other evidence of decay would show up – for example: more broken windows, trash accumulation, graffiti, and abandoned cars. The change is slow and for a time, imperceptible to the people who live in the neighborhood.

The "Broken Windows" Theory and its application to Business

The worst broken windows are often people. That means an employee who is not on board with the needs and expectations of the company’s consumers can do immeasurable damage and is a broken window of the most urgent variety. Bad service is inexcusable. Bad service, no matter how good the rest of the factors may be, will always sink your business.

Broken Windows Broken Business

Broken windows theory is seen by many as a way to effect change quickly and with minimal expense by merely altering the police crime-control strategy. It is far simpler to attack disorder than it is to attack such ominous social ills as poverty and inadequate education. The theory in practice

broken windows theory | Description & Results | Britannica

The broken windows theory states that visible signs of disorder and misbehavior in an environment encourage further disorder and misbehavior, leading to serious crimes. The principle was developed...

Broken Windows Theory | Psychology Today United Kingdom

Broken Windows Theory Definition In the field of criminology, the broken windows theory holds that lingering visible evidence of crime, anti-social behavior, and civil unrest in densely populated urban areas suggests a lack of active local law enforcement and encourages people to commit further, even more serious crimes.

What Is the Broken Windows Theory? - ThoughtCo

Using dozens of corporate "broken window" case studies, including McDonald's, K-Mart, Google, JetBlue, and more, he argues that by integrating the solutions to small problems into a much larger plan, the resulting combined solution can stimulate overall business growth-and keep customers coming back for more. (source: Nielsen Book Data)

Broken windows, broken business : how the smallest ...

In this vital work, author Michael Levine offers compelling evidence that problems in business, large and small, typically stem from inattention to tiny details. Social psychologists and criminologists agree that if a window in a building is broken and left unrepaired, soon thereafter the rest of the windows will be broken - and the perception will build that crime in that neighborhood is out of control.

Broken Windows Broken Business How The Smallest Remedies ...

The broken windows theory is a criminological theory that states that visible signs of crime, anti-social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory suggests that policing methods that target minor crimes, such as vandalism, loitering, public drinking, jaywalking and fare evasion, help to create an atmosphere of order and lawfulness, thereby preventing more serious crimes. The theory was introduced in
