THEY LIVED ON THE WILD SIDE. NOW THESE BAD GIRLS ARE PAYING THE PRICE. At Dr. Foreman's School for Girls, the "students" sleep in barns, work on a farm in the blazing heat, and are subjected to ruthless guards who watch their every move. It's an institution run by the dreadful Dr. Foreman, a woman who delights in administering the worst form of punishment -- the mysterious Ice Room where the girls face their darkest fears. Now Phoebe, Teal, and Robin -- three girls from very different worlds -- are the newcomers in this desert hell. During their stay, each girl will be tempted to commit the ultimate crime of betrayal as Dr. Foreman cleverly tries to turn them against each other -- until they learn that the only way to survive is to stick together...and fight back. THESE TOUGH GIRLS NEVER MET THEIR MATCH -- UNTIL THEY MET EACH OTHER. Phoebe No one will hear her cries now. They put the helmet over my head and fastened the straps so that it was on tightly. I resisted but I couldn't keep my arms from being straightened and then a strap was fixed over my chest. It was just as it had been when I woke up in the plane that brought me to this hell. Robin She wants to break free -- but where will she fly? I'm going to strangle my mother darling when I get away from here. She just wanted to get me out of her hair while she tries to become a famous country singing star. Just go, she told me, I'm better off. What she really meant was she was better off. Teal Once she was rich and entitled -- now she's just trying to survive. Don't you want to try to run away with me? You can't want to stay here a moment longer than you have to. Maybe we just have to follow the dirt road out. Maybe they're lying to us and we're not that far from a town. I won't make it through another day like this.

When her father falls into a coma, Indian American photographer Sonya reluctantly returns to the family she'd fled years before. Since she left home, Sonya has lived on the run, free of any ties, while her soft-spoken sister, Trisha, has created a perfect suburban life, and her ambitious sister, Marin, has built her own successful career. But as these women come together, their various methods of coping with a terrifying history can no longer hold their memories at bay. Buried secrets rise to the surface as their father--the victim of humiliating racism and perpetrator of horrible violence--remains unconscious. As his condition worsens, the daughters and their mother wrestle with private hopes for his survival or death, as well as their own demons and buried secrets. Told with forceful honesty, Trail of Broken Wings reveals the burden of shame and secrets, the toxicity of cruelty and aggression, and the exquisite, liberating power of speaking and owning truth.
