Building a Global Democracy. You're not going to have a sustainable global economy unless you have governance that's on the same scale as the economy it's supposed to bloody govern! John Bunzl. From the earliest tribal villages, bonded by blood and survival, to mighty empires forged by stone, steel, and strength; to sprawling kingdoms held together by myth, nobility, and theocracy; to the rise of modern democracies guided by discovery and the self-evident truths of Reason; to the ...

Talking about the real meaning of global democracy should be a democratic process on its own. Discussing this topic should include some help from different regions of the world, maybe some different culture, races, ages, and genders because we alone cannot discuss a topic as important as the global democracy. As you might see from [...]
