Cambridge Checkpoints study guides, provide the most up-to-date exam preparation and revision available for VCE students.

Cambridge Checkpoints study guides, provide the most up-to-date exam preparation and revision available for VCE students.

Fully updated to meet the requirements of the revised Study Design, Cambridge VCE Accounting Units 1 & 2 (Second Edition) supports students as they develop the skills necessary to succeed. This market-leading series scaffolds students through the course introducing basic concepts and building on these until students are able to apply their skills to complex exam scenarios. The highly-regarded author team of VCE Accounting examiners provide an authoritative and easy-to-understand narrative on the Units 1 & 2 course. This is supported by Review Questions for each section to consolidate learning, and carefully graded exercises at the end of each chapter that closely resemble the style found in the external exams. Key feature include: • Comprehensive colour coding of specific transactions in the accounting process provides extra visual support for students • Selected answers provided at the back of the text encourage students to work independently.

Resource Economics engages students and practitioners in natural resource and environmental issues from both local and global standpoints. The fourth edition of this approachable but rigorous text provides a new focus on risk and uncertainty as well as new applications that address the effect of new energy technologies on scarcity and climate change mitigation and adaptation, while preserving and systematically updating the approach and key features that drew many thousands of readers to the first three editions.

This revised set of resources for Cambridge International AS and A Level Accounting syllabus (9706) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, this coursebook unpacks accounting concepts in an engaging and accessible style. With clear definitions of up-to-date terminology, this resource is ideal for learners with a wide range of abilities, including those whose first language is not English. Practical walkthroughs illustrate the application of key accounting policies and practices, and activities reinforce knowledge and build analytical and evaluation skills. At the end of each chapter there are opportunities to practice multiple-choice and structured questions to help prepare students for their assessment.
