L'Étranger (French: [l?e.t???.?e]) is a 1942 novel by French author Albert Camus. Its theme and outlook are often cited as examples of Camus's philosophy, absurdism coupled with that of existentialism, though Camus personally rejected the latter label.

The Stranger (Camus novel) - Wikipedia

The Stranger, enigmatic first novel by Albert Camus, published in French as L'Étranger in 1942. It was published as The Outsider in England and as The Stranger in the United States.

The Stranger is a novel by Albert Camus that was first published in 1942.

The Stranger: Study Guide | SparkNotes

The Stranger Meursault, the narrator, is a young man living in Algiers. After receiving a telegram informing him of his mother's death, he takes a bus to Marengo, where his mother had been living in an old persons' home. He sleeps for almost the entire trip.

The Stranger: Plot Overview | SparkNotes

The Stranger, Camus's first novel, is both a brilliantly crafted story and an illustration of Camus's absurdist world view. Published in 1942, the novel tells the story of an emotionally detached, amoral young man named Meursault. He does not cry at his mother's funeral, does not believe in God, and kills a man he barely knows without any discernible motive. For his crime, Meursault is ...

The Stranger: Context | SparkNotes

"I looked up at the mass of signs and stars in the night sky and laid myself open for the first time to the benign indifference of the world." ? Albert Camus, *The Stranger* 739 likes

The Stranger Quotes by Albert Camus - Goodreads

The Stranger Analysis *The Stranger* was part of a cycle of Camus's works that focuses on alienation and the absurd which deals directly with the idea of the meaninglessness of life. These are two of the most prominent themes, along with sadness.

The Stranger (1967 film), a film based on Camus's novel and directed by Luchino Visconti *The Stranger* (1973 film) or *Stranded in Space*, a science-fiction TV pilot starring Glenn Corbett *The Stranger* (1984 film), a South Korean film *The Stranger* (1987 film), an American film directed by Adolfo Aristarain

The Stranger - Wikipedia

Albert Camus™ THE STRANGER I was wakened by an odd rustling in my ears. After having had my eyes closed, I had a feeling that the light had grown even stronger than before. There wasn't a trace of shadow anywhere, and every object, each curve or angle, seemed to score its outline on one's eyes.

The Stranger is not merely one of the most widely read novels of the 20th century, but one of the books likely to outlive it. Written in 1946, Camus's compelling and troubling tale of a disaffected, apparently amoral young man has earned a durable popularity (and remains a staple of U.S. high school literature courses) in part because it reveals so vividly the anxieties of its time.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

"A National Book Award-finalist biographer tells the story of how a young man in his 20s who had never written a novel turned out a masterpiece that still grips readers more than 70 years later and is considered a rite of passage for readers around the world, "--NoveList.

A New York Times Notable Book of 2015 "A tour-de-force reimagining of Camus's *The Stranger*, from the point of view of the mute Arab victims." —*The New Yorker* He was the brother of "the Arab" killed by the infamous Meursault, the antihero of Camus's classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling's memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa's casual murder on a dazzlingly sunny

beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. *The Stranger* is of course central to Daoud's story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, *The Meursault Investigation* is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

Publisher Description

'The sky seemed to rip apart from end to end to pour fire down upon me' Meursault will not conform. When his mother dies, he refuses to show his emotions simply to satisfy the expectations of others. And when he commits a random act of violence on a sun-drenched beach, his lack of remorse only compounds his guilt in the eyes of society and the law. Albert Camus' portrayal of a man confronting the absurdity of human life became a classic. Yet it is also a book filled with quiet joy in the physical world, and this new translation sensitively renders the subtleties and dreamlike atmosphere of *The Outsider*. A new translation by Sandra Smith

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act. This new illustrated edition of Camus's classic novel *The Stranger* portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.

The Second Edition of this popular critical study has been significantly expanded and completely revised, making it the most thorough single-volume study of Camus' classic novel. A Critical Introduction places Camus' ideas in context. Part One shows the development of his thought in the early essays, the unpublished "A Happy Death", the plays "Caligula" and "The Misunderstanding", and the philosophical work "The Myth of Sisyphus". Building on this foundation, Part Two gives a detailed, consistent reading of "The Stranger". The aim throughout, is to explain the meaning that Camus intended his text to have, thus meeting the needs of both the general reader and the student up to graduate level. This guide is thought provoking and encourages the reader to develop their own ideas about interpreting the central themes of the text.

An ordinary man is unwittingly caught up in a senseless murder in Algeria.

Often marginalised on the sidelines of both philosophy and literature, the works of Albert Camus have, in recent years, undergone a renaissance. While most readers in either discipline claim Camus and his works to be 'theirs', the scholars presented in this volume tend to see him and his works in both philosophy and literature. This volume is a collection of critical essays by an international menagerie of Camus experts who, despite their interpretive differences, see Camus through both lenses. For them, he is a novelist/essayist who embodies

Access Free Camus The Stranger

a philosophy that was never fully developed due to his brief life. The essays here examine Camus's first published novel, *The Stranger*, from a variety of critical and theoretical perspectives, each drawing on the author's knowledge to present the first known critical examination in English. As such, this volume will shed new light on previous scholarship.
