Cities of the Plain is an interesting name for the section starting Chapter 3 in Lewis Mumford 's The City in History. The two prominent urban areas emerging in the chapter are that of the Nile Delta and the Mesopotamian plain. The comparison of these two urban areas tell of the city rising from the villages as a new form of organization.

**Topical Bible: Cities of the Plain**
Cities of the Plain. The cities of the plain (RSV. " cities of the valley ") are the five cities—Sodom, Gomorrah, Admah, Zeboiim, and Zoar—thought to be located near the southern end of the Dead Sea. The narrative of Genesis 14:1 associates these five cities and locates them in the Valley of Siddim, the Dead Sea.

**Cities of the Plain—Holman Bible Dictionary—Bible**
To the North lie the proving grounds of Alamogordo; to the South, the twin cities of El Paso and Juarez, Mexico. Their life is made up of trail drives and horse auctions and stories told by campfire light. It is a life that is about to change forever, and John Grady and Billy both know it.

**Cities of the Plain: Border Trilogy (3): Cormac McCarthy**
The story opens in 1952. John Grady Cole (the protagonist of All the Pretty Horses) and Billy Parham (the protagonist of The Crossing) work together on a cattle ranch south of Alamogordo, New Mexico, not far from the border cities of El Paso, Texas, and Ciudad Ju á rez in the state of Chihuahua, Mexico. The ranch's owners are kind but face an uncertain future in a dying industry.

The conclusion of the Border trilogy describes the friendship of John Grady Cole and Billy Parham, two cowboys working on a New Mexico ranch in the 1950s

With an introduction by novelist Rachel Kushner
In the vanishing world of the Old West, two cowboys begin an epic adventure, and their own coming-of-age stories.
In All the Pretty Horses, John Grady Cole 's search for a future takes him across the Mexican border to a job as a ranch hand and an ill-fated romance.
The Crossing is the story of sixteen-year-old Billy Parham, who sets off on a perilous journey across the mountains of Mexico, accompanied only by a lone wolf.
Eventually the two come together in Cities of the Plain, in a stunning tale of loyalty and love.
A true classic of American literature, The Border Trilogy is Cormac McCarthy 's award-winning requiem for the American frontier.
Beautiful and brutal, filled equally with sorrow and humour, it is a powerful story of two friends growing up in a world where blood and violence are conditions of life.

The Sins of the Cities of the Plain (1881) is an erotic novel attributed to Irish prostitute Jack Saul. Published by William Lazenby, a prominent printer of Victorian erotica, The Sins of the Cities of the Plain is considered to be one of the first works of literature dedicated to homosexuality in the English language. " ' Saul, Jack Saul, sir, of Lisle Street, Leicester Square, and ready for a lark with a free gentleman at any time. What was it made you take a fancy to me? Did you observe any particularly interesting points about your humble servant? ' as he stly looked down towards the prominent part I have previously mentioned."
Having met by chance at Leicester Square, Jack Saul, a successful prostitute—colloquially known as a " Mary-Ann " or " rentboy "—agrees to accompany Mr. Cambon to his home at the Cornwall Mansions. After sharing a meal, the two men get down to business, exploring their young bodies and devoting themselves to pleasure. Curious about Jack 's past, Cambon offers him money to share the story of his life. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack Saul 's The Sins of the Cities of the Plain is a classic work of Victorian erotic fiction reimagined for modern readers.

Cut off from the life of ranching he has come to love by his grandfather's death, John Grady Cole flees to Mexico, where he and his two companions embark on a rugged and cruelly idyllic adventure

This handsome edition of McCarthy's completed Border Trilogy in one volume gives the reader one of the most important works of American fiction of the last decades. McCarthy's work is far more than a western, but crosses the borders between fiction and philosophy, the real and the world of dream. With influences ranging from the traditional western; the coming-of-age story; the courtly romance; classical tragedy; and magical realism, McCarthy's masterpiece is a work to be read and read again. This new volume containing all three of the novels, All the Pretty Horses, The Crossing, and Cities of the Plain, is a welcome addition to the canon of McCarthy's works in print.

"The fulfilled renown of Moby-Dick and of As I Lay Dying is augmented by Blood Meridian, since Cormac McCarthy is the worthy disciple both of Melville and Faulkner," writes esteemed literary scholar Harold Bloom in his Introduction to the Modern Library edition. "I venture that no other living American novelist, not even Pynchon, has given us a book as strong and memorable." Cormac McCarthy's masterwork, Blood Meridian, chronicles the brutal world of the Texas-Mexico borderlands in the mid-nineteenth century. Its wounded hero, the teenage Kid, must confront the extraordinary violence of the Glanton gang, a murderous cadre on an official mission to scalp Indians and sell those scalps. Loosely based on fact, the novel represents a genius vision of the historical West, one so fiercely realized that since its initial publication in 1985 the canon of American literature has welcomed Blood Meridian to its shelf. "A classic American novel of regeneration through violence," declares Michael Herr. "McCarthy can only be compared to our greatest writers."

Following All the Pretty Horses in Cormac McCarthy's Border Trilogy is a novel whose force of language is matched only by its breadth of experience and depth of thought. In the bootheel of New Mexico hard on the frontier, Billy and Boyd Parham are just boys in the years before the Second World War, but on the cusp of unimaginable events. First comes a trespassing Indian and the dream of wolves running wild amongst the cattle lately brought onto the plain by settlers -- this when all the wisdom of trappers has disappeared along with the trappers themselves. And so Billy sets forth at the age of sixteen on an unwitting journey into the souls of boys and animals and men. Having trapped a she-wolf he would restore to the mountains of Mexico, he is long gone and returns to find everything he left behind transformed utterly in his absence. Except his kid brother, Boyd, with whom he strikes out yet again to reclaim what is theirs thus crossing into "that antique gaze from whence there could be no way back forever." An essential novel by any measure, The Crossing is luminous and appalling, a book that touches, stops, and starts the heart and mind at once.

This collection of beautiful, enduring hardcover editions features modern American masterpieces, including works by Nobel Prize and National Book Award winners. With elegant cloth sewn bindings, gold stamped covers, and silk ribbon markers, these classics are an essential for any home library.
Titles included: Beloved by Toni Morrison
The Border Trilogy by Cormac McCarthy
Rabbit Angstrom by John Updike
Revolutionary Road; The Easter Parade; Eleven Kinds of Loneliness by Richard Yates
We Tell Ourselves Stories in Order to Live by Joan Didion

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

While young men wage war against an evil empire of zealous mutants, the population of this modern inferno is afflicted with the epidemic of a radioactive virus. An opium-infused apocalyptic vision from the legendary author of Naked Lunch is the first of the trilogy with The Places of the Dead Roads and his final novel, The Western Plains.
