By Robert Moss Conscious Dreaming: A Unique Nine-Step ...

Whether you think dreaming is all in your head or — at least occasionally — a connection to a wider reality than we typically perceive, Conscious Dreaming is compelling to read. Moss's view of dreams definitely favors viewing them as having the potential for oracular information and contacts with beings outside oneself, though he does also talk briefly in this book about dreams providing creative inspiration.

Books & Media | Robert Moss / Way of the Dreamer

Robert Moss, born in Melbourne (Victoria) in 1946, is an Australian historian, journalist and author and the creator of Active Dreaming, an original synthesis of dreamwork and shamanism. Robert Moss.

A leader of dream workshops and seminars details a unique, nine-step approach to understanding dreams, using contemporary dreamwork techniques developed from shamanic cultures around the world. Conscious Dreaming shows you how to use your dreams to understand your past, shape your future, get in touch with your deepest desires, and be guided by your higher self. Author Robert Moss explains how to apply shamanic dreamwork techniques, most notably from Australian Aboriginal and Native American traditions, to the challenges of modern life and embark on dream journeys. Moss's methods are easy, effective, and entertaining, animated by his skillful retelling of his own dreams and those of his students—and the dreams' often dramatic insights and outcomes. According to Moss, some shamans believe that nothing occurs in ordinary reality unless it has been dreamed first. In the dreamscape, we not only glimpse future events, we can also develop our ability to choose more carefully between possible futures. Conscious Dreaming's innovative system of dream-catching and transpersonal interpretation, of dream re-entry adn keeping a dream journal enables the reader to tap the deepest sources of creativity and intuition and make better choices in the critical passages of life.

Active dreaming is a way of being fully of this world while maintaining constant contact with another world, the world-behind-the-world, where the deeper logic and purpose of our lives are to be found. This book offers three core areas of practice: talking and walking our dreams to bring energy and guidance from the dreamworld into everyday life; shamanic lucid dreaming; and, conscious living.

A practitioner of ancient shamanic techniques for healing and journeying explains how to restore reader's animal spirits, heal old wounds through shamanic dreaming and ultimately recover and grow their souls. Original.

A world-renowned authority on the history, uses, and power of dreaming, Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates. Through these gates await otherwise inaccessible realms of reality as well as soul remembering — the " recovering of knowledge that belonged to us before we came into this life experience. " Exercises, meditations, and the mesmerizing tales of fellow dream travelers outline Moss ' s Active Dreaming technique, a kind of shamanic soul-flight that offers " frequent flyers " a passport between worlds. In this world beyond physical reality, Moss points to wellsprings of healing, creativity, and insight. As readers move into these different ways of seeing and knowing, they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives.

The author of Conscious Dreaming and The Three "Only" Things poses arguments for understanding one's dreams in order to resolve past events and prepare for the future, explaining the practices of ancient dreaming cultures and the dream experiences of famous historical figures.

A valuable dream guide shows readers how to use nightly messages from the unconscious to inform and instruct their waking consciousness. Original.

LEARN TO MANIFEST YOUR HEART ' S DESIRES Growing Big Dreams is a passionate yet practical call to step through the gates of dreams and imagination to weather tough times, embark on travel adventures without leaving home, and grow a vision of a life so rich and strong it wants to take root in the world. Vitally relevant today more than ever, dreams are a tool available to all. Robert Moss is a cartographer of inner space, equally at home in Jung ' s psychology and shamanic journeying. The compelling stories, playful activities, and wild games he provides are designed to lead you to manifest a life of creative joy and abundance. You ' ll learn to connect with your inner imagineer and become scriptwriter, director, and star of your own life movies, choosing your preferred genre and stepping into a bigger and braver story. Great artists, mystics, and shamans know that there are places of the imagination that are entirely real. Moss shows you how to get there.

Have you ever said something was only a dream, only a coincidence, or only your imagination? In this book you'll discover that these "only" things can be keys to finding and living your bigger story. You'll learn to tap into the nine powers of dreaming, the nine rules of coincidence, and the seven uses of imagination. You'll be inspired by stories of how innovators and world changers have used these gifts, and you'll learn wonderful games to help you access your intuition, heal yourself, and bring juice to your everyday life. When we claim the power of the Three Only Things, we reclaim tools that are profoundly simple yet have the power to remake our lives and the world. "What Robert Moss does - again and again and with such clarity and greatness of heart - is remind us that magic is a breath away and that everyone has the capacity to tap into the heritage that is truly ours." - MANDA SCOTT, bestselling author of the Boudica novels

Explores the ancient Iroquois tradition of dreams, healing, and the recovery of the soul • Explains Native American shamanic dream practices and their applications and purpose in modern life • Shows how dreams call us to remember and honor our soul ' s true purpose • Offers powerful Active Dreaming methods for regaining lost soul energy to restore our vitality and identity The ancient teaching of the Iroquois people is that dreams are experiences of the soul in which we may travel outside the body, across time and space, and into other dimensions--or receive visitations from ancestors or spiritual guides. Dreams also reveal the wishes of the soul, calling us to move beyond our ego agendas and the web of other people ' s projections into a deeper, more spirited life. They call us to remember our sacred contracts and reclaim the knowledge that belonged to us, on the levels of soul and spirit, before we entered our present life experience. In dreams we also discover where our vital soul energy may have gone missing--through pain or trauma or heartbreak--and how to get it back. Robert Moss was called to these ways when he started dreaming in a language he did not know, which proved to be an early form of the Mohawk Iroquois language. From his personal experiences, he developed a spirited approach to dreaming and living that he calls Active Dreaming. Dreamways of the Iroquois is at once a spiritual odyssey, a tribute to the deep wisdom of the First Peoples, a guide to healing our lives through dreamwork, and an invitation to soul recovery.

Have you ever said something was only a dream, only a coincidence, or only your imagination? In this book you ' ll discover that these " only " things can be keys to finding and living your bigger story. You ' ll learn to tap into the nine powers of dreaming, the nine rules of coincidence, and the seven uses of imagination. You ' ll be inspired by stories of how innovators and world changers have used these gifts, and you ' ll learn wonderful games to help you access your intuition, heal yourself, and bring juice to your everyday life. When we claim the power of the Three Only Things, we reclaim tools that are profoundly simple yet have the power to remake our lives and the world.
