In Zimbabwe the financial services sector has been forced to be more accountable following the issuance of corporate governance guidelines (RBZ, 2004). However, a scandal in the sector involving US\$7 million in August 2007 demonstrated the opaqueness of the guidelines further heightening the fact that some companies are paying lip service to corporate governance best practice.

In pursuit of Vision 2030, Zimbabwe needs to maintain a reputation of upholding the best practices and standards in corporate governance, both in the public and private sectors. Such practices have higher chances of attracting both domestic and foreign direct investment needed for driving economic growth and development.
