There's a little bit more information about the detectives and their work, as, well as a little more detail about the murders and their aftermath. But if you're looking for exclusive info or motives, Phelps just circles around them. There are a few standout chapters, particularly when Phelps elucidates the prosecution's closing statement at the

Wilson's testimony could fit
into either argument. The
jury was not going to hear
from Erika. The major
concern for Erika's camp was
that if she sat on the
witness stand and supported
the main theory Tuminelli
and Ceraso had been laying
out for the jury—that Erika
