Just as Masters and Johnson were pioneers in the study of human sexuality, so Dr. John Gottman has revolutionized the study of marriage. As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute, he has studied the habits of married couples in unprecedented detail over the course of many years. His findings, and his heavily attended workshops, have already turned around thousands of faltering marriages. This book is the culmination of his life's work: the seven principles that guide couples on the path toward a harmonious and long-lasting relationship. Straightforward in their approach, yet profound in their effect, these principles teach partners new and startling strategies for making their marriage

work. Gottman helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Being thoughtful about ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for living with those issues that cannot be resolved. Packed with questionnaires and exercises whose effectiveness has been proven in Dr. Gottman's workshops, *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential. *The Seven Principles for Making Marriage Work* is the result of Dr. John Gottman's many years of closely observing thousands of marriages. This kind of longitudinal research has never been done before. Based on his findings, he has culled seven principles essential to the success of any marriage. Maintain a love map. Foster fondness and admiration. Turn toward instead of away. Accept influence. Solve solvable conflicts. Cope with conflicts you can't resolve. Create shared meaning. Dr. Gottman's unique questionnaires and exercises will guide couples on the road to revitalizing their marriage, or making a strong one even better.

After three decades in education and counseling, Dr. Bott applies his fresh ideas and common sense, workable approach to showing couples how they can build an enduring marriage.

What is it you've been asking for, my friend? What possibility are you aware of that you've been seeking and have yet to find? What if this little book of wondrous words, spoken by a weird, wacky and truly wonderful man, inspired you to claim your magic?

"What if you were the best thing that ever happened on planet Earth? All the projections and expectations you've defined as meaningful are the things that keep you from being everything you are." Gary Douglas, in conversation with participants in a life-changing Access Consciousness(R) class, describes what projections, expectations, separations, judgments, and rejections are, the way they destroy you, your life, and your relationships, and how to get free of them and be everything you are. As class participants ask questions about money, business, work, love, sex, bodies, parents, family, and kids, Gary offers lively stories, provocative questions, and amazingly effective tools, and clearings that will enable you to clearly see what is in front of you, and to change anything in your life. "If you have no projections, expectations, separations, judgments, and rejections, you can actually be happy "

THIS BOOK OFFERS YOU "OUT OF THE BOX"

CONCEPTS WITH MONEY Money Isn't The Problem, You Are is written for people who live in a constant state of difficulty around money, whether it's spending too much, not having enough, or having too much. In Money Isn't The Problem, You Are, Gary Douglas and Dain Heer share processes, tools, and points of view that you can use to change the way money flows into your life. Gary and Dain have worked with lots of people regarding money issues. Through innovative tools, Douglas and Heer have helped those who had \$10 in their pocket and people who had ten million. The interesting thing is they all have the same issue it has nothing to do with money. It has to do with what they are unwilling to receive. What you are unwilling to receive creates the limitation of what you can have. Change THAT and money isn't an issue any more!

LEARNING TO RECEIVE IS THE GREATEST THING YOU CAN DO. Money Isn't The Problem, You Are is based on the very popular Access Money Seminar, which has been taught in cities throughout the U.S., Costa Rica, Australia and New Zealand. "It's not about money. It never is. It's about what you're willing to

receive. The Universe is endlessly abundant. Learn to make different choices with the empowering tools in this book. You CAN create a different reality." -Gary Douglas, found of Access Consciousness(R)

In The Gentlemen's Club, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, "Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one?" Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: "I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body." Praise from Gentlemen's Club Participant's wife: "Thank you so much for doing these classes. I've got back the man that I fell in love with."
