Discover the new Doctor Who classics. Earth is under attack by power-hungry aliens. This is no time for the Doctor to be out of action. When a British space probe is intercepted by a sinister alien vessel on the eve of Christmas, it marks the beginning of an audacious invasion of the Earth by the Sycorax – horrifying marauders from beyond the stars. Within hours, a third of humanity stands on the brink of death with not a single shot fired. Our planet needs a champion – but the Doctor is not fit for service. He’s just regenerated, delirious in a new body and a dressing gown. Forced into his battered shoes is his friend, Rose Tyler, a girl from a London council estate. Will she save the world from this nightmare before Christmas – or see it destroyed?

A beautifully illustrated collection of new Doctor Who stories, each featuring one of the twelve Doctors on a festive adventure in theTARDIS. Written by six authors and with a full-page colour illustration for each story, these tales are full of magic, mystery, wonder, excitement - and everything else that fans love about a Doctor Who Christmas special.

For this new edition of The Writer's Tale, Russell T Davies and Benjamin Cook expand their in-depth discussion of the creative life of Doctor Who to cover Russell's final year as Head Writer and Executive Producer of the show, as well as his work behind the increasingly successful Torchwood and The Sarah Jane Adventures spin-offs. Candid and witty insights abound throughout two years' worth of correspondence, covering David Tennant's last episodes as the Doctor and the Legacy that Russell and David leave behind as a new era of Doctor Who begins. With over 300 pages of new material, and taking in events from the entire five years since the show's return in 2005, The Writer's Tale: The Final Chapter is the most comprehensive - and personal - account of Doctor Who ever published.

We’re all stories in the end... In this exciting collection you’ll find all-new stories spinning off from some of your favourite Doctor Who moments across the history of the series. Learn what happened next, what went on before, and what occurred off-screen in an inventive selection of sequels, side-trips, foreshadowings and first-hand accounts – and look forward too, with a brand new adventure for the Thirteenth Doctor. Each story expands in thrilling ways upon aspects of Doctor Who’s enduring legend. With contributions from show luminaries past and present – including Colin Baker, Matthew Waterhouse, Vinay Patel, Joy Wilkinson and Terrance Dicks – The Target Storybook is a once-in-a-lifetime tour around the wonders of the Whoniverse.

Discover the new Doctor Who classics. Still reeling from his encounter with the Cybermen, the First Doctor stumbles through the bitter Antarctic wind, resisting the approaching regeneration with all his strength. But as he fights his way through the snowdrifts, he comes across the familiar shape of a blue police box, and a mysterious figure who introduces himself as the Doctor... Thrown together at their most vulnerable moments, the two Doctors must discover why the snowflakes are suspended in the sky, why a First World War Captain has been lifted from his time stream moments before his death, and who is the mysterious Glass Woman who knows their true name. The Doctor is reunited with Bill, but is she all she seems? And can he hold out against the coming regeneration?

Doctor Who stories are many things: thrilling adventures, historical dramas, tales of love and war and jelly babies. They’re also science fiction – but how much of the science is actually real, and how much is really fiction? The Scientific Secrets of Doctor Who is a mind-bending blend of story and science that will help you see Doctor Who in a whole new light, weaving together a series of all-new adventures, featuring every incarnation of the Doctor. With commentary that explores the possibilities of time travel, life on other planets, artificial intelligence, parallel universes and more, Simon Guerrier and Dr Marek Kukula show how Doctor Who uses science to inform its unique style of storytelling – and just how close it has often come to predicting future scientific discoveries. This book is your chance to be the Doctor's companion and explore what's out there. It will make you laugh, and think, and see the world around you differently. Because anything could be out there. And going out there is the only way to learn what it is.

Discover the new Doctor Who classics. When the entire universe is at stake, three different Doctors will unite to save it. The Tenth Doctor is hunting shape-shifting Zygons in Elizabethan England. The Eleventh is investigating a rift in space-time in the present day. And one other – the man they used to be but never speak of – is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor’s different incarnations will come together to save the Earth... to save the universe... and to save his soul.

Discover the new Doctor Who classics. “Nice to meet you, Rose. Run for your life!” In a lair somewhere beneath central London, a malevolent alien intelligence is plotting the end of humanity. Shop window dummies that can move – and kill – are taking up key positions, ready to strike. Rose Tyler, an ordinary Londoner, is working her shift in a department store, unaware that this is the most important day of her life. She’s about to meet the only man who understands the true nature of the threat facing Earth, a stranger who will open her eyes to all the wonder and terror of the universe – a traveller in time and space known as the Doctor.

‘The entire Dalek race, wiped out in one second. I watched it happen. I made it happen!’ The Doctor and Rose arrive in an underground vault in Utah in the near future. The vault is filled with alien artefacts. Its billionaire owner, Henry van Statten, even has possession of a living alien creature, a mechanical monster in chains that he has named a Metaltron. Seeking to help the Metaltron, the Doctor is appalled to find it is in fact a Dalek – one that has survived the horrors of the Time War just as he has. And as the Dalek breaks loose, the Doctor is brought back to the brutality and desperation of his darkest hours spent fighting the creatures of Skaro... this time with the Earth as their battlefield.
