the inhabitants of what are now the borderlands of Northeast India and Bangladesh as Muslim "frontier peasants," "savage mountaineers," and Christian "ethnic minorities," suspecting them to be disloyal subjects, spies, and traitors. In *Jungle Passports* Malini Sur follows the struggles of these people to secure shifting land, gain access to rice harvests, and smuggle the cattle and garments upon which their livelihoods depend against a background of violence, scarcity, and India's construction of one of the world's longest and most highly militarized border fences. *Jungle Passports* recasts established notions of citizenship and mobility along violent borders. Sur shows how the division of sovereignties and distinct regimes of mobility and citizenship push undocumented people to undertake perilous journeys across previously unrecognized borders every day. Paying close attention to the forces that shape the life-worlds of deportees, refugees, farmers, smugglers, migrants, bureaucrats, lawyers, clergy, and border troops, she reveals how reciprocity and kinship and the enforcement of state violence, illegality, and border infrastructures shape the margins of life and death. Combining years of ethnographic and archival fieldwork, her thoughtful and evocative book is a poignant testament to the force of life in our era of closed borders, insularity, and "illegal migration."

In this groundbreaking work, Kamal Sadiq reveals that most of the world's illegal immigrants are not migrating directly to the US, but to countries in the vast developing world, where they are able to obtain citizenship papers fairly easily. Sadiq introduces "documentary citizenship" to explain how paperwork--often falsely obtained--confers citizenship on illegal immigrants. Across the globe, there are literally tens of millions of such illegal immigrants who have assumed the guise of "citizens." Who, then, is really a citizen? And what does citizenship mean for most of the world's peoples? Rendered in vivid detail, Paper Citizens not only shows how illegal immigrants acquire false papers, but also sheds light on the consequences this will have for global security in the post 9/11 world.

Investment Opportunities and Tax Benefits for NRIs in India India is one of world's fastest growing economies. NRIs can uniquely benefit from this growth both because of their familiarity with the country and the special investment benefits and tax concessions offered to them, with repatriation facilities. countries. India has emerged as one of the cultural and economic hotspots of the 21st century, and has developed into a major competence centre in fields as varied as IT, engineering, and the entertainment industry. "I have a good French diploma," says political science student Barbara Vassou, "but still, it is not easy to find a suitable job for me in France and I don't want to live in a 15 square metre box in Paris anymore after six years of hard studies. In India, as a young professional, my life is much more comfortable and more exciting, too. All the information I need about how to organise my life in India is covered in this guide!" Knowledge Must invites everybody to take a chance to experience one of the most captivating societies in our globalising world and witness one of the oldest, and at the same time most forward-looking, cultures. "In India you can find lots of employment opportunities in fields as varied as IT, media, and development work. However, you need to be prepared to immerse yourself in the complex Indian culture to ensure your personal and professional satisfaction", states author Daniel Ratheiser. Life for foreigners joining the Indian labour market will be so much easier once they figured out the Indian cultural environment. In addition to answering the most pressing questions, the guide features valuable insights ranging from logistics such as visa procedures and accommodation arrangements to cultural background information and
