Genie Intellicode Model Is550 A
Troubleshoot your garage door opener. The Genie IS550 garage door opener is a reliable heavy-duty system that operates with fewer parts than most other garage door openers. This increases the reliability of the unit. However, there are times when the opener malfunctions and could need repair. Some problems that could occur are the door closing, only to rise again; the wall switch or remote not operating the door; or the door opening and closing on its own.
