Description EST3 is a modular control platform uniquely designed to
meet the needs of applications ranging from standalone single panel
fire alarm systems to multi-panel networks with unified fire alarm,
security, and Mass Notification functions. Each function uses many of
the same components, simplifying system layouts.

Edwards EST3 - FIREALARM.COM

Edwards EST3 is a robust modular control panel that unifies fire alarm,
smoke control, security and mass notification systems. The EST3 fire
alarm system is a leader in the field with the ability to have network
panels with overall length in excess of 300,000 ft. Making the EST3 an
ideal solution for any size facility.
