"I'm not a businessman-I'm a business, man." --Jay-Z Some people think Jay-Z is just another rapper. Others see him as just another celebrity/mega-star. The reality is, no matter what you think Jay-Z is, he first and foremost a business. And as much as Martha Stewart or Oprah, he has turned himself into a lifestyle. You can wake up to the local radio station playing Jay-Z's latest hit, spritz yourself with his 9IX cologne, slip on a pair of his Rocawear jeans, lace

up your Reebok S. Carter sneakers, catch a Nets basketball game in the afternoon, and grab dinner at The Spotted Pig before heading to an evening performance of the Jay-Z-backed Broadway musical Fela! and a nightcap at his 40/40 Club. He'll profit at every turn of your day. But despite Jay-Z's success, there are still many Americans whose impressions of him are foggy, outdated, or downright incorrect. Surprisingly to many, he honed his business philosophy not at a fancy B school, but on the streets of Brooklyn, New York and beyond as a drug dealer in the 1980s. Empire State of Mind tells the story behind Jay-Z's rise to the top as told by the people who lived it with him- from classmates at Brooklyn's George Westinghouse High School; to the childhood friend who got him into the drug trade; to the DJ who convinced him to stop dealing and focus on music. This book explains just how Jay-Z propelled himself from the bleak streets of Brooklyn to the heights of the business world. Zack O'Malley Greenburg draws on his one-on-one interviews with hip-hop luminaries such as DJ Clark Kent, Questlove of The Roots, Damon Dash, Fred "Fab 5 Freddy" Brathwaite, MC Serch; NBA stars Jamal Crawford and Sebastian Telfair; and recording industry executives including Craig Kallman, CEO of Atlantic Records. He also includes new information on Jay-Z's various business dealings, such as: *The feature movie about Jay-Z and his first basketball team that was filmed by Fab 5 Freddy in 2003 but never released. *The Jay-Z branded Jeep that was scrapped just before going into production. *The real story behind his association with Armand de Brignac champagne. *The financial ramifications of his marriage to Beyonce. Jay-Z's tale is compelling not just because of his celebrity, but because it embodies the rags-to-riches American dream and is a model for any entrepreneur looking to build a commercial empire.

Updated and revised—the story of American rapper Jay-Z's glass-shattering rise from the Brooklyn projects to the top of the business world. Beyond the award-winning albums and chart-topping hits, Jay-Z's business savvy has cemented his legacy as one of the most successful artists of our time. Now with new insights into how he recently achieved his Forbes-certified billionaire status, Empire State of Mind reveals the inside story behind the rapper's meteoric

rise. With a sprawling network of investments ranging from fashion, technology, and top-shelf liquor to nightclubs, streaming services, and record labels, it's possible for Jay-Z to profit at every turn of your day. So how did a kid from the projects turn himself into a one-man conglomerate? Through the eyes of the people who lived it with him—including the childhood friend who got him into the drug trade, the DJ who persuaded him to stop dealing and focus on his music, and industry collaborators like Alicia Keys and J. Cole—we see how Jay-Z not only honed his craft but transformed each setback into an opportunity for more. For every hustler, mogul, and businessperson who seeks to build something spectacular, this book is the blueprint.

Decoded is a book like no other: a collection of lyrics and their meanings that together tell the story of a culture, an art form, a moment in history, and one of the most provocative and successful artists of our time. Praise for Decoded “Compelling . . . provocative, evocative . . . Part autobiography, part lavishly illustrated commentary on the author’s own work, Decoded gives the reader a harrowing portrait of the rough worlds Jay-Z navigated in his youth, while at the same time deconstructing his lyrics.”—Michiko Kakutani, *The New York Times* “One of a handful of books that just about any hip hop fan should own.”—*The New Yorker* “Elegantly designed, incisively written . . . an impressive leap by a man who has never been known for small steps.”—*Los Angeles Times* “A riveting exploration of Jay-Z’s journey . . . So thoroughly engrossing, it reads like a good piece of cultural journalism.”—*The Boston Globe* “Shawn Carter’s most honest airing of the experiences he drew on to create the mythic figure of Jay-Z . . . The scenes he recounts along the way are fascinating.”—*Entertainment Weekly* “Hip-hop’s renaissance man drops a classic. . . . Heartfelt, passionate and slick.”—*Kirkus Reviews* (starred review)

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Jimmy is a stereotypical geek who works at the library in Oakland, California, and is trapped in his own torpidity. Sara is his best friend, but she wants to get a life (translation: an apartment in Brooklyn and a publishing internship). When Sara moves to New York City, Jimmy is rattled. Then lonely. Then desperate. He screws up his courage, writes Sara a letter about his true feelings, and asks her to meet him at the top of the Empire State Building (a nod to their ongoing debate about *Sleepless in Seattle*). Jimmy's cross-country bus trip to Manhattan is as hapless and funny as Jimmy himself. When he arrives in the city he's thought of as "a festering hellhole," he's surprised by how exciting he finds New York, and how heartbreaking—he discovers Sara has a boyfriend! Jason Shiga's bold visual storytelling, sly pokes at popular culture, and subtle text work together seamlessly in *Empire State*, creating a quirky graphic novel comedy about the vagaries of love and friendship. Praise for *Empire State*: "He [Shiga] displays a wicked sense of comic timing." -*Publishers Weekly* "Empire State: A Love Story (Or Not) is funny, sweet, geeky and affecting, and definitely worth a read." -*Wired.com* "Shiga's illustrations . . . are unique and endearing, and his images of NYC are instantly recognizable." -*am New York* "If Woody Allen grew up in Oakland rather than Manhattan, he'd most likely see the world, and especially New York City, as Jason Shiga does in *Empire State*." -*Big Think.com*

NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • “Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop.”—*Entertainment Weekly* Look for Téa Obreht’s second novel, *Inland*, now available. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, *The New York Times* • *Entertainment Weekly* • *The*

Get Free Empire State Of Mind How Jay Z Went From Street Corner To Corner Office Revised Edition

Christian Science Monitor • The Kansas City Star • Library Journal Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of The New Yorker's twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather's recent death. Searching for clues, she turns to his worn copy of *The Jungle Book* and the stories he told her of his encounters over the years with "the deathless man." But most extraordinary of all is the story her grandfather never told her—the legend of the tiger's wife. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • The Economist • Vogue • Slate • Chicago Tribune • The Seattle Times • Dayton Daily News • Publishers Weekly • Alan Cheuse, NPR's *All Things Considered* "Stunning . . . a richly textured and searing novel."—Michiko Kakutani, *The New York Times* "[Obreht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying."—*The Wall Street Journal* "Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, *The Tiger's Wife* is all the more remarkable for being the product not of observation but of imagination."—*The New York Times Book Review* "That *The Tiger's Wife* never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing."—*The Washington Post*

Maxwell Sim can't seem to make a single meaningful connection. His absent father was always more interested in poetry; he maintains an e-mail correspondence with his estranged wife, though under a false identity; his incomprehensible teenage daughter prefers her BlackBerry to his conversation; and his best friend since childhood is refusing to return his calls. He has seventy-four friends on Facebook, but nobody to talk to. In an attempt to stir himself out of this horrible rut, Max quits his job as a customer liaison at the local department store and accepts a strange business proposition that falls in his lap by chance: he's hired to drive a Prius full of toothbrushes to the remote Shetland Islands, part of a misguided promotional campaign for a dental-hygiene company intent on illustrating the slogan "We Reach Furthest." But Max's trip doesn't go as planned, as he's unable to resist making a series of impromptu visits to important figures from his past who live en route. After a string of cruelly enlightening and intensely awkward misadventures, he finds himself falling in love with the soothing voice of his GPS system ("Emma") and obsessively identifying with a sailor who perpetrated a notorious hoax and subsequently lost his mind. Eventually Max begins to wonder if perhaps it's a severe lack of self-knowledge that's hampering his ability to form actual relationships. A humane satire and modern-day picaresque, *The Terrible Privacy of Maxwell Sim* is a gently comic and rollickingly entertaining novel about the paradoxical difficulties of making genuine attachments in a world of advanced communications technology and rampant social networking.
