About Export of

## Products Dhaze

Definition of

Export

Marketing.

Export marketing

is the practice

by which a

company sells

products or

services to a

# Where To Download

foreign country. Products are produced or distributed from the company's home country to buyers in international locations. But there is a difference between products that are available to

# Where To Download

foreign  
countries and  
products that  
are specifically  
marketed to  
foreign  
customers.
