I loved Cora Carmack's first book, Losing It - it was adorable and hilarious. But her follow up book, Faking It is just plain gorgeous. It has those same witty, funny elements that I'd come to love from this author, but added a level of in-depth emotion that had me crying at the end, in the best possible way and feeling ALL the feelings. I'm a huge fan of book bad boys, as you all know, but ...

Mackenzie "Max" Miller has a problem. Her parents have arrived in town for a surprise visit, and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they’re expecting to meet a nice wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far though, he’s kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they’re forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new, New Adult title from New York Times bestselling author of Losing It, Cora Carmack.

What happens after the happy ending? Garrick is over the moon that his girlfriend, Bliss, said yes. He's finally found the love of his life. That means his worries are over, right? But when he invites her to visit London and meet his family, he is presented with a whole new set of problems. How will his privileged and wealthy family react to Bliss's unique brand of awkwardness?

Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.

New York Times bestselling author Cora Carmack's young adult debut: Roar. In a land ruled and shaped by violent magical storms, power lies with those who control them. Aurora Pavan comes from one of the oldest Stormling families in existence. Long ago, the ungifted pledged fealty and service to her family in exchange for safe haven, and a kingdom was carved out from the wildlands and sustained by magic capable of repelling the world’s deadliest foes. As the sole heir of Pavan, Aurora's been groomed to be the perfect queen. She’s intelligent and brave and honorable. But she’s yet to show any trace of the magic she’ll need to protect her people. To keep her secret and save her crown, Aurora’s mother arranges for her to marry a dark and brooding Stormling prince from another kingdom. At first, the prince seems like the perfect solution to all her problems. He’ll guarantee her spot as the next queen and be the champion her people need to remain safe. But the more secrets Aurora uncovers about him, the more a future with him frightens her. When she dons a disguise and sneaks out of the palace one night to spy on him, she stumbles upon a black market dealing in the very thing she lacks—storm magic. And the people selling it? They’re not Stormlings. They’re storm hunters. Legend says that her ancestors first gained their magic by facing a storm and stealing part of its essence. And when a handsome young storm hunter reveals he was born without magic, but possesses it now, Aurora realizes there’s a third option for her future besides ruin or marriage. She might not have magic now, but she can steal it if she’s brave enough. Challenge a tempest. Survive it. And you become its master.

New York Times and USA Today bestselling author Cora Carmack follows up her trio of hits—Losing It, Faking It, and Finding It—with this thrilling first novel in an explosive series bursting with the Texas flavor, edge, and steamy romance of Friday Night Lights. In Texas, two things are cherished above all else—football and gossip. My life has always been ruled by both. Dallas Cole loathes football. That's what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers, and put the playing field (and the players) in her past. But life doesn't always go as planned. As if going to the same college as her football star ex wasn’t bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball… as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again. Carson McClain is determined to go from second-string quarterback to the starting line-up. He needs the scholarship and the future that football provides. But when a beautiful redhead literally falls into his life, his focus is more than tested. It's obliterated. Dallas doesn't know Carson is on the team. Carson doesn't know that Dallas is his new coach's daughter. And neither of them know how to walk away from the attraction they feel.

The Runaway New York Times and USA Today Bestseller! Virginity. Bliss Edwards is about to graduate from college and still has hers. Sick of being the only virgin among her friends, she decides the best way to deal with the problem is to lose it as quickly and simply as possible—a one-night stand. But her plan turns out to be anything but simple when she freaks out and leaves a gorgeous guy alone and naked in her bed with an excuse that no one with half a brain would ever believe. And as if that weren't embarrassing enough, when she arrives for her first class of her last college semester, she recognizes her new theater professor. She'd left him naked in her bed about eight hours earlier. . . .

In this second book in New York Times and USA Today bestselling author Cora Carmack’s New Adult, Texas-set Rusk University series, which began with All Lined Up, a young woman discovers that you can’t only fight for what you believe in . . . sometimes you have to fight for what you love Dylan fights for lost causes. Probably because she used to be one. Environmental issues, civil rights, education—you name it, she’s probably been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He’s in for a different kind of fighting. And though he’s arrogant and not at all her type, she can’t help being fascinated with him. Yet another lost cause. Football and trouble are the only things that have ever come naturally to Silas. And it’s trouble that lands him in a cell next to do-gooder Dylan. He’s met girls like her before—fixers, he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn’t think he’s broken, and he definitely doesn’t need a girlfriend trying to change him. Until, that is, his anger issues and rash decisions threaten the only thing he really cares about, his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all.

In the third book in New York Times and USA Today bestselling author Cora Carmack’s Rusk University series, a good girl is about to find out what happens when she creates the ultimate college bucket list and she sets her sights on a jock. First person in her family to go to college? CHECK. Straight A’s? CHECK. On track to graduate early? CHECK. Social life? .....yeah, about that.... With just a few weeks until she graduates, Antonella DeLuca’s beginning to worry that maybe she hasn’t had the full college experience. (Okay... Scratch that. She knows she hasn't had the full college experience). So Nell does what a smart, dedicated girl like herself does best. She makes a "to do" list of normal college activities. Item #1? Hook up with a jock. Rusk University wide receiver Mateo Torres practically wrote the playbook for normal college living. When he’s not on the field, he excels at partying, girls, and more partying. As long as he keeps things light and easy, it's impossible to get hurt... again. But something about the quiet, shy, sexy-as-hell Nell gets under his skin, and when he learns about her list, he makes it his mission to help her complete it. Torres is the definition of confident (And sexy. And wild), and he opens up a side of Nell that she's never known. But as they begin to check off each crazy, exciting, normal item, Nell finds that her frivolous list leads to something more serious than she bargained for. And while Torres is used to taking risks on the field, he has to decide if he's willing to take the chance when it's more than just a game. Together they will have to decide if what they have is just part of the experiment or a chance at something real.

Kalliope lives with one purpose. To inspire. As an immortal muse, she doesn't have any other choice. It's part of how she was made. Musicians, artists, actors-they use her to advance their art, and she uses them to survive. She moves from one artist to the next, never staying long enough to get attached. But all she wants is a different life- a normal one. She's spent thousands of years living lie after lie, and now she's ready for something real. Sweet, sexy, and steady, Wilder Bell feels more real than anything else in her long existence. And most importantly... he's not an artist. He doesn't want her for her ability. But she can't turn off the way she influences people, not even to save a man she might love. Because in small doses, she can help make something beautiful, but her ability has just as much capacity to destroy as it does to create. The longer she stays, the more obsessed Wilder will become. It's happened before, and it never turns out well for the mortal. Her presence may inspire genius. But it breeds madness, too.

From New York Times bestselling author Cora Carmack, the second in the captivating new YA fantasy/romance Stormheart series, perfect for fans of Kristin Cashore and Victoria Aveyard. Princess or adventurer. Duty or freedom. Her Kingdom or the Stormhunter she loves. If Aurora knows anything, it's that choices have consequences. To set things right, she joins a growing revolution on the streets of Pavan. In disguise as the rebel Roar, she puts her knowledge of the palace to use to aid the rebellion. But the Rage season is at its peak and not a day passes without the skies raining down destruction. Yet these storms are different...they churn with darkness, and attack with a will that’s desperate and violent. This feels like more than rage. It feels like war.
