This fabulous box set edition includes four of the fantastic Nancy Clancy chapter books by New York Times bestselling team Jane O'Connor and Robin Preiss Glasser in paperback: Nancy Clancy, Super Sleuth; Nancy Clancy, Secret Admirer; Nancy Clancy Sees the Future; and Nancy Clancy, Secret of the Silver Key! Kids who grew up with Jane O'Connor's Fancy Nancy picture books can spend some quality time with their BFF because Nancy Clancy is now starring in her own chapter books! Fans of Nancy Drew's Clue Crew will be happy to see a new Nancy join the ranks of super sleuths. Robin Preiss Glasser illustrates Nancy's story with liveliness, wit, and fanciness.

New York Times bestselling author Nancy Thayer whisks readers back to the beloved island of Nantucket in this delightful novel about two single parents who accidentally rent the same summer house—and must soon decide where their hearts truly lie. Sensible thirty-six-year-old Sophie Anderson has always known what to do. She knows her role in life: supportive wife of a successful architect and calm, capable mother of two. But on a warm summer night, as the house grows quiet around her and her children fall asleep, she wonders what's missing from her life. When her husband echoes that lonely question, announcing that he's leaving her for another woman, Sophie realizes she has no idea what's next. Impulsively renting a guest cottage on Nantucket from her friend Susie Swenson, Sophie rounds up her kids, Jonah and Lacey, and leaves Boston for a quiet family vacation, minus one. Also minus one is Trevor Black, a software entrepreneur who has recently lost his wife. Trevor is the last person to imagine himself, age thirty and on his own, raising a little boy like Leo—smart and sweet, but grappling constantly with his mother's death, growing more and more closed off. Hopping a quiet summer on the Nantucket coast will help him reconnect with Leo, Trevor rents a guest house on the beautiful island from his friend Ivan Swenson. Best-laid plans run awry when Sophie and Trevor realize they've mistakenly rented the same house. Still, determined to make this a summer their kids will always remember, the two agree to share the Swensons' Nantucket house. But as the summer unfolds and the families grow close, Sophie and Trevor must ask themselves if the guest cottage is all they want to share. Inspiring and true to life, *The Guest Cottage* is Nancy Thayer at her finest, inscribing in graceful, knowing prose matters of the heart and the meaning of family. Praise for *The Guest Cottage* “[*The Guest Cottage*] will make readers want to hop on the next ferry to seek out their own dreams and romance.”—Laurie Higgins, *Cape Cod Times* “[A] delightful beach read.”—*InStyle* Praise for Nancy Thayer Nantucket Sisters “Thayer obviously knows her Nantucket, and the strong sense of place makes this the perfect escapist book for the summer, particularly for fans of Elin Hilderbrand.”—Booklist “Thayer keeps readers on the edge of their seats with her dramatic story spanning the girls’ childhood to adulthood. This wonderful beach read packs a punch.”—*Library Journal* *Island Girls* “[A] book to be savored and passed on to the good women in your life.”—Susan Wiggs “Full of emotion and just plain fun, this novel is delightful.”—*Romance Reviews Today* Summer Breeze “Nancy Thayer is the queen of beach books. . . . All [these characters] are involved in life-changing choices, with all the heart-wrenching decisions such moments demand.”—*The Star-Ledger* “An entertaining and lively read that is perfect for summer reading indulgence.”—*Wichita Falls Times Record News*

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. Bible verses—an enduring source of guidance, peace, and rejuvenation—are here given a very special treatment in colorful letterpress illustrations that bring each phrase to life in a fresh and meaningful way. The verses are drawn from seven translations (including the New International Version, The New Revised Standard Version, and The King James Bible) and arranged in order, beginning with Genesis 1:1. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artwork—in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. It's a new and vibrant way to experience the living word.

The second book in a humorous, easy-to-read series about a boy and his fly! Books have foil covers! Fly Guy loves the school lunchroom. He loves the dirty dishes, the smelly mop, and the garbage cans. But when the lunch ladies discover there's a fly in the cafeteria, chaos ensues! Though Fly Guy makes a mess of things, he also shows his powers as a Super Fly Guy! Using hyperbole, puns, slapstick, and silly drawings, bestselling author/illustrator Tedd Arnold creates an easy reader that is full of fun. With an eye-catching holographic foil cover, this is the second in a series of four books.

"Travel is no longer a past-time but a colossal industry, arguably one of the biggest in the world and second only to oil in importance for many poor countries. One out of 12 people in the world are employed by the tourism industry which contributes \$6.3 trillion to the world's economy. To investigate the size and effect of this new industry, Elizabeth Becker traveled the globe. She speaks to the Minister of Tourism of Zambia who thinks licensing foreigners to kill wild animals is a good way to make money and then to a Zambian travel guide who takes her to see the rare endangered sable antelope. She travels to Venice where community groups are fighting to stop the tourism industry from pushing them out of their homes, to France where officials have made tourism their number one industry to save their cultural heritage; and on cruises speaking to waiters who earn \$60 a month--then on to Miami to interview their CEO. Becker's sharp depiction reveals travel as a product; nations as stewards. Seeing the tourism industry from the inside out, the world offers a dizzying range of travel options but very few quiet getaways!--

Polar Bear has lost his underwear! Where could it be? There's only one thing to do: Remove the book's underwear-shaped bellyband to find the missing pair! Is that Polar Bear's underwear? No, it's Zebra's--see the colorful stripes? What about that itty-bitty pair? No, those belong to Butterfly! And so the search continues, with every page revealing an animal in eye-popping undies. This laugh-out-loud, one-of-a-kind novelty book from Japanese design talents tupera tupera will surprise and amuse children and their parents, all while affirming the importance of putting on your underwear.

Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events, holidays, federal and state observances, historic anniversaries, astronomical phenomena, and more. Published since 1957, Chase's is the only guide to special days, weeks, and months.

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

Introduces the Gingerbread family who lives in a sweet world of candy.
