From quick and satisfying breakfasts to fast, flavorful dinners to savory snacks, with The Super Big Book of Easy, Delicious, and Healthy Recipes the Whole Family Will Love, it's easy to keep your family happy, as well as healthy.

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—“Keep It Simple, Stupid” • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

If you're looking for practical information to answer all your “How?” “What?” and “Why?” questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

IT'S NEVER TOO EARLY TO TEACH YOUR KIDS ABOUT MONEY! How soon should you be having money conversations with your kids? As soon as possible! And the easiest way to do that is through entertaining stories. That's why Dave Ramsey created the Junior's Adventures Storytime Collection. In these six exciting adventures, Junior, Maddie, Billy and Rachel experience unforgettable life lessons and learn how to win with money. The stories include: • The Super Red Racer: The Reward of Working - Junior wants a bike but doesn't have the money to buy it so he learns the value of hard work by earning his own money. • The Big Payoff: The Value of Integrity - Junior and his friends find \$200 on the ground. Watch as they learn do what's right, even when it's hard. • Battle of the Chores: The Dangers of Debt - Junior borrows money from his sister and has to pay her back which is no fun at all. • My Fantastic Field Trip: The Importance of Saving - As the class goes on a field trip, they learn the value of planning for big expenses and unexpected emergencies. • Careless at the Carnival: The Guide to Spending - See how a day at the carnival taught Junior and his friends how to spend their money wisely. • The Big Birthday Surprise: The Joy of Giving - Find out what Junior's big birthday surprise is and how he learns about giving on his special day. Through humor and colorful storytelling, your kids will learn how to win with money which will help them long after they have grown up.

From money recognition to real estate investing, Andrea and Linsey, help parents and educators introduce kids to a variety of money topics in a fun, understandable, and engaging manner. Use the 110+ games/activities, tips, and resources to teach kids financial literacy at an early age.

England, 1940. Barney's home has been destroyed by bombing, and he and his mother are traveling to the countryside when German planes attack. Their train is forced to take shelter in a tunnel and there, in the darkness, a stranger—a fellow passenger—begins to tell them a story about two young soldiers who came face to face in the previous war. One British, one German. Both lived, but the British soldier was haunted by the encounter once he realized who the German was: the young Adolf Hitler. The British soldier made a moral decision. Was it the right one? Readers can ponder that difficult question for themselves with Michael Morpurgo's latest middle-grade novel An Eagle in the Snow.
