Or, to quote Simon Sinek himself: " Find Your Why " is a book "for all of the people who want to learn their WHY, who want their companies to start with WHY, who want to help others find their WHY... for all of the people who want to help build a world in which the vast majority of people wake up inspired to go to work, to feel safe when they are there and to return home fulfilled by the work they do."

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues.

Sinek believes fulfillment is a right and not a privilege. Achieving that fulfillment starts with understanding exactly WHY we do what we do. With Mead and Docker, he provides detailed exercises and action steps for the path to long-term success and fulfillment, for both you and your colleagues.

Draws on real-life stories and figures, including Martin Luther King, Jr. and Steve Jobs, to examine the qualities a good leader requires in order to inspire and motivate people.

Getting to Why is a practical guide to finding your highest purpose, fulfilling that purpose in every area of life, and sharing that purpose with others. An expert in personal and organizational effectiveness, author JB Symons leads the way with an easy-to-understand, step-by-step process. Each chapter of the book includes an anecdote from JB's decades of experience, a humorous illustration by popular artist Alexandra Douglass, and workbook exercises for deepening your understanding of yourself. Ideal for transforming both personal life and career, Getting to Why is your guide to life's most important question.

"Challenging, inspiring and practical." Bear Grylls "I can't think of anyone more qualified to write about the significance of knowing your purpose than my friend Ken Costa.. His new book, Know Your Why, is absolutely foundational to living a purpose driven life." Rick Warren "Among the crush and the rush of life, there's no better guide in the pursuit of getting it right than my friend Ken Costa.. I highly recommend Know Your Why, and am confident you will see more clearly and live more purposefully after absorbing the wisdom in its pages." Louie Giglio, Pastor, Passion City Church, Passion Conferences "This is an important and timely book. In a world of seemingly endless options, discerning the voice of God can be an increasingly difficult task. Ken draws on decades of experience to help Christians cut through the confusion and distractions and live lives in tune with God." Andy Stanley, Senior Pastor, North Point Ministries "There are few people on this planet that I find more fascinating than Ken Costa. His capacity for business is only outweighed by his affection for the local church; and he has beautifully modelled to a generation what it means to live out your calling and build the Kingdom." Brian Houston, Global Founder and Senior Pastor of Hillsong Church Are you working for cash, a career, a cause-or a calling? "Why do you do what you do?" People work for a variety of reasons. For many, the primary purpose of their work is cash. Their principal motivation is the paycheck that funds their everyday needs. Their work is a means to an end. Others are motivated by ambitions for a career, to move up the professional ladder and expand their experience, becoming more skilled in a particular area. Still others work for a cause, believing in the wider purpose of their work, attempting to make a difference in the world-to leave a mark in some way. All of these are legitimate motivations. However, missing from all three is any sense of the value of work itself. The focus is on the output of the workplace, rather than valuing the input. What we need is calling. Those who see their work as a calling experience a rich integration in their lives. They sense a purpose, a direction to their activities. Work has intrinsic meaning, rather than being simply a means to an end. In many ways this is precisely what the Spirit of God does in our lives. When we are in the flow of the Spirit, we are cooperating fully in our God-given callings. When people embrace their callings, they love their work, can manage inevitable tensions that arise, and are welcomed by their colleagues, who sense that there is something beyond the cash or career objectives. But how do we get there? Know Your Why is written with one objective: to help you find your life's calling so that you can be more satisfied, fulfilled, and happier at work. "You did not choose me, but I chose you and appointed you so that you might go and bear fruit-fruit that will last." -John 15:16 NIV

How often have you heard yourself responding with YES to things that were not good for you? Things that consumed your time and energy, and sabotaged your confidence? Have you found yourself experiencing uncomfortable situations, unhealthy relationships and carrying out tasks that you weren't supposed to simply because you didn't quite know how to say NO? Then read this book.

Most of us live our lives by accident???we live as it happens. Fulfillment comes when we live our lives on purpose. This unique and delightful little book makes the point that together is better in a quite unexpected way. Simon Sinek, bestselling author of Start With Why and Leaders Eat Last, blends the wisdom he has gathered from around the world with a heartwarming, richly illustrated original fable -- publisher.
