Finn's World: Do What You Love. Love What You Eat ...

On March 20 2020, Finland was ranked the happiest nation in the world for the third year running. The annual World Happiness Report awarded the Nordic country the top spot after analyzing factors including GDP per capita, social support, healthy life expectancy, social freedom, generosity, and absence of corruption, as per Reuters. The report also asked citizens of the 156 nations analyzed to rate their own happiness by evaluating their lives.

I asked 10 Finnish people what their secret to happiness ...

"Universal healthcare is seen by Finns as 'the right things to do' as a moral issue, with the underlying economics as a secondary issue. Debate about it is ongoing, but the focus is mostly on how to achieve goals rather than how to eliminate it, or whether such benefits are deserved by those who use them," Lippo said.

What life is like in Finland, the happiest country in the ...

I realised, hey, you could do both!" When her month at sea was up, Finn traded skills with a pal in the tech sector who was in training for the Galway Bay Swim – he set up Finn's healthy eating blog www.finstiffood.com in return for a fistful of healthy recipes. The blog quickly attracted an enthusiastic following so much so, that by the ...

Finn's World - Women Mean Business

The majority of people living in Finland consider Finnish to be their first language. According to Statistics Finland, of the country's total population of 5,503,297 at the end of 2016, 88.3% (or 4,857,795) considered Finnish to be their native language. It is not known how many of the ethnic Finns living outside Finland speak Finnish as their first language.

Finns - Wikipedia

Finnish culture is a combination of numerous native customs which are represented by their national languages (Germanic Swedish and Uralic Finnish), the sauna, and the European and Nordic traditions. Due to their geographical location and history, Finland was heavily influenced by various communities including the Russians, Swedish, plus ...

It does not come naturally and you do not do it with strangers or when you do not have to. Silence, honesty and punctuality are our defining features. Wife carrying and swamp football etc are basically phenomena made up by the media. 99.9 percent of Finns have a) never done them and b) never even watched them in TV or in the Internet.

11 Reasons Why Finland is the Worst Scandinavian Country ...

Finns drink the most milk per person in the world. Dairy Nutrition Council, Maidon kulutus maailmalla 2015 (Milk consumption in the world in 2015) Finland has the most Summer Olympics medals per capita. Medals per Capita, Total Medals per Capita: All Time (Summer) Finnish adults' English skills are the sixth best in a comparison of 80 countries.

Finland among the best in the world | Statistics Finland

If the Finnish archipelago and long Baltic coast make you think about beautiful summer days filled with sailing and boating, you are definitely on the right track. But the Finnish coast invites you for many great experiences throughout the year.

What Are the Finns Like? — VisitFinland.com

At the beginning of the First World War, Finland was an autonomous Great Duchy within the Russian Empire. Even though the Finnish territory was spared of most of the fighting, it witnessed a series of military operations for three and a half months during the Civil War (January 27 th – May 15 th, 1918). The global conflagration and its consequences had decisively influenced the destiny of the Finns, and unexpectedly, the evolution of the conflict and the collapse of Tsarism led to Finland ...

Did you know that the Finns are among the biggest coffee drinkers in the world? We ask a few of them why that is. The Finns consume an amazing 12 kilograms of coffee per capita annually, putting them at the top of the world. (This cup is from Finnish tableware manufacturer Arabia.) Photo: Dorit Salutskij/Arabia

Exploring the Finnish affinity for coffee - thisisFINLAND

We hate their ice hockey teams, Zlatan Ibrahimovi?, and Ikea (although we buy everything from there — it's so cool, cheap, and handy!) We hate their accent and the fact that the richest Finns have Swedish as their mother tongue. 3. Laziness. When I go to family gatherings, my relatives always ask what I do for a living.
