the start of the Swinging Sixties, a time of change, when the relative equality of the War years was being hastily shovelled back under the nice new fitted carpets. The developing suburb of Derby, where the author grew up, is described as 'an uneasy cross between The Stepford Wives and Royston Vasey.' Her family was 'ordinary enough' but could still boast a silent movie actress, a world famous philosopher, several strange family disappearances, a lot of railway folk and involvement in two civil wars. Ancestors had come from the flat lands of Lincolnshire, and others from the far south of Staffordshire, in search of work, settling in Derbyshire and Derby itself, where they stayed and

flourished and which this books evokes with such affection. The author's account of her childhood and early teens is filled with warmth and humour as she occasionally looks back In Anger, but more often in laughter. It was the time of Angry Young Men and just slightly Stropooy Young Women.

Alix, arrogant, middle-aged and angry comes home to the derelict port of Liverpool as her mother lies dying. Irritably resigned to living alone for the rest of her life she suddenly finds herself erotically attracted to a stranger. Joseph is an American architect who has come to the city to build a hotel. Refusing to accept that his wife has left him or the

trauma of a war he once fought in, the question is whether these survivors of the battles of the Seventies are meant for each other or not. And what happened to a factory in Dresden which long ago made the perfect face cream . . . 'Perhaps her most accessible novel to date ... Grant's prose is blunt, honest, yet often beautiful and bitinglly funny. Equally comfortable discussing concepts of justice and grooming routine, the voices Grant creates are striking and authentic. Her characters are irascible, witty, fierce, and full of the contradictions and blind spots that make them wholly human. This is a compelling and satisfying novel' Rachel Seiffert, author of The Dark Room

Modern Tort Law is a comprehensive, accessible and up-to-date introduction to the law of torts. Now in its seventh edition, Vivienne Harpwood's popular, student-friendly text explains the principles of all aspects of tort law in a lively and thought-provoking manner. The

# Read Free Food Safety Charnwood

broad coverage of modern tort law makes this an ideal textbook for any undergraduate tort law course. Students are encouraged to understand and apply the principles of tort law effectively throughout and particular attention is paid to the context within which the law is evolving, making these topics both accessible and enjoyable. This seventh edition has been revised and updated to take into account developments since publication of the previous edition including in the areas of privacy, negligence, personal injury and defamation. Human Rights issues are integrated throughout the text rather than treating the topic in isolation, in line with the way the subject is commonly taught. Now

# Read Free Food Safety Charnwood

more accessible and student-friendly, it includes: advice on further reading at the end of each chapter which is intended to point students towards sources of further study and critical debate new chapter introductions, rewritten to reflect learning outcomes. Modern Tort Law is now supported by a Companion Website which offers lecturer resources available to adopters of the book, including 'think points' designed to encourage reflection and debate and PowerPoints of diagrams and flowcharts contained within the text. A dedicated student section also offers weblinks, a guide to key Tort law cases, a flashcard glossary and a test bank of multiple choice questions.
