Jumper/Relay X230 (1994-2002)

This is a rear end air suspension kit for the Citroen Jumper & Relay X230 van and van derived motor-homes and minibuses. The rear end kit is VERY simple to install using just a few bolts and is fully reversible if required. Inflated via Schrader valves (tyre valves) and nothing extra required to get kit working.

Hello Dan, my husband can't find the air suspension relay on our 2008 Lincoln Navigator. Our air suspension pump just stopped working over the weekend. It won't turn on and he replaced the air pump and it still won't turn on. He just purchased a new relay but can't locate where to replace it. No Lincoln dealerships will help.
