This book, I have written, has helped to release all the tension I had with the obstacles I met along with the raising of this family. With the farm life and the large family, including a son with birth defects and Down's syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby's case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book will prove to be an inspiration to any and all who have the privilege of reading it.

Old campers have an appeal that reaches back in time and can send your imagination soaring. Let's face it: they are cool. Who hasn't seen one parked on a boulevard with a "for sale" sign and pictured it bouncing along behind the family car, ready for adventure and fun? Unfortunately, campers are not quite homes, they are not quite cars, and they have their own unique systems and demands that make fixing and upgrading a challenge. Even if you have plenty of DIY experience, a camper speaks a foreign language. Consider *Camper Rehab* your Rosetta Stone for the language of Shasta, Dutchmen, or Airstream. This book is a top-to-bottom guide to getting a fifth-wheel, teardrop, or other camper trailer ready for the road and beyond. From basic troubleshooting to electrical and plumbing projects, replacing interior surfaces, and clever (sometimes "retro") decorating ideas, this book uses detailed illustrations, color photography, and a wealth of step-by-step, how-to information to get help you get your travel trailer into shape for your next big--or little--adventure. And in case you haven't pulled the trigger on that trailer you're eying on Craigslist just yet, *Camper Rehab* also walks you through the process of evaluating a potential purchase, identifying which issues are fixable and which are dealbreakers, as well as how to spot hidden problems. Written by accomplished DIY author Chris Peterson, whose light and approachable tone is coupled with the hardworking DIY information you need, *Camper Rehab* is a must-have for any camper owner or dreamer.

The best Chicago has to offer in a convenient, easy-to-use package that includes a full size map.

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, *Vintage Camper Trailers*, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

Renowned automotive writer Pat Foster celebrates the simple joy of hitting the highway in a vintage camper, trailer, RV, or van in this illustrated examination of their hardware and cultural histories—featuring evocative modern photography of restored and original-condition campers, as well as period photos and advertising art. The look, the feel, and the sheer style of vintage campers and trailers are impossible to duplicate in sterile modern units. It's little wonder more and more of us, from all walks and ages, are ditching the increasingly hectic modern life and rediscovering the simple freedom of small, uncluttered spaces and the wide-open road. Foster breaks down the subject by camper categories, illustrating his knowledgeable text with beautiful modern and period images. Sidebars examine topics like clever designs that make small living possible, the evolution of campers and gear over the ages, tips for trailer living, first-person anecdotes from enthusiasts, and much more. Along the way, Foster covers all of the most popular camper and van brands, such as Winnebago, Airstream, Shasta, Spartan, Scamp, Volkswagen, and more. Whether lived on the road, your driveway, or your armchair—your minimalist adventure starts here.
