A playbook that empowers sales managers to think like CEOs and act like entrepreneurs At Salesforce.com, Elay Cohen created and executed the sales productivity programs that accelerated the company 's growth to a \$3 billion – plus enterprise. The innovation delivered over these years by Elay and his team resulted in unprecedented sales productivity excellence. Based on that experience, Elay embarked on a journey to help every company in the world grow like Salesforce.com. After working with many organizations and further reflecting on his time at Salesforce.com, it became apparent that one key player was best positioned to accelerate growth in organizations: the first-line sales manager. Empowering sales managers to own and execute their own sales programs, as entrepreneurs would, became the focus of this book and his technology company. First-line sales managers are the backbone of every sales organization. They make it happen. They 're where the rubber meets the road in pipeline generation, revenue growth, and customer success. These sales managers serve as the voice of salespeople to organizations, and as the organizational voice back to salespeople. In this accessible guide, Cohen shares how sales managers can build an inspired, engaged team, equipping them with the tools they need to drive up sales productivity and grow the business. He reveals, among many other lessons, how you can nurture a winning sales culture; build world-class training programs that encourage salespeople to learn from each other, and execute sales processes, playbooks, and deals in a way that gives your salespeople the winning edge.

Fixed Asset Accounting addresses the GAAP and IFRS accounting for all key fixed asset topics, including capital budgeting, interest capitalization, asset retirement obligations, depreciation, impairment, and disposal. The book delves into many other areas of interest to the accountant, including the record keeping, controls, policies and procedures, measurements, asset tracking, and auditing procedures related to fixed assets.
