A child needs to be provided with a clean, safe environment within a warm and secure home. The accommodation should be suitable for a baby and be adequate to cope with a growing family. There should be somewhere for a baby to sleep and, as the child grows, space to play (e.g. a garden) and a place where the child can keep

## *Home Economics – Child Development*

When I was at school in the 1980s Child Development had already become a discrete subject on its own, separated from Home Economics. That makes sense if you view school subjects as pathways to careers – home economics leading to careers in catering or fashion for example, and child development leading to nursery work or pergaps early years teaching.
