Home theatre projectors | Buying guide - Consumer NZ

Denis Gallagher. Home theatre projectors are getting more affordable, and can deliver a picture that dwarfs even the biggest TVs. All the projectors in our home theatre HD projector reviews deliver a screen diagonal of at least 2.5 metres, with some able to show a screen of 10 metres or more. That's some serious real estate to watch the morning news on, so it's pretty clear that these devices are more for special events with family and friends, not just for casually switching on to check the ...
