1 review of Houghton Mifflin Company "In order to help students who do not have bedtime stories read to them in the language in which they are tested, if at all, I ordered several dozen "books on tape" and some cassette tape players. The Books on Tape were listed as titles with audio cassettes. What arrived were books with CDs. I appreciate that some employee was thinking "even better!"

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."

A gorgeous compendium of Joni Mitchell's handwritten lyrics and drawings, originally handcrafted as a gift for a select group of friends in 1971 and now available to the public for the first time In 1971, as her album Blue topped charts around the world, Joni Mitchell crafted one hundred copies of Morning Glory on the Vine as a holiday gift for her closest friends. For this stunningly beautiful book, Joni hand-wrote an exquisite selection of her own lyrics and poems and illustrated them with more than thirty of her original pictures. Handcrafted, signed, and numbered in Los Angeles, the existing copies of this labor of love have rarely been seen in the past half-century. Now, during Joni's seventy-fifth birthday year, Morning Glory on the Vine: Early Songs and Drawings will be widely available for the first time. In this faithfully reproduced edition, Joni's best-loved lyrics and poems spill across the pages in her own elegant script. The lively, full-color drawings depict a superb array of landscapes, still lifes, portraits of friends, self-portraits, innovative abstractions, and more. All the artwork from the original book is included, along with several additional pictures that Joni drew of her friends from the same period. Finally, the refreshed volume features an original introduction written by Joni. Morning Glory on the Vine is a gorgeous and intimate keepsake and an invitation to explore anew the dazzling, visionary world of Joni Mitchell.
