*You More Today". It's how
you used to say. I love you
and I miss you. It's how you
pretend to love me then.
When you wandered off the
things we've done before.
Now it's too late to turn

I need You more than anything. I need You, I need You. I need You like the ground needs rain. There's nothing that could take Your place. I need You more than anything. I need You, I need You. In my weakness, You will be my strength. In the darkness, You will be my light. Through the chaos, You will make a way.

More than is a phrasal
preposition. It can be used
as a substitute for over.

More then is either a
misspelling or a clue that
you need to revise your
sentence. You can remember
to always choose more than
since it is spelled with an
