Absolutism correlated negatively with writing grades and verbal aptitude, whereas evaluativism exhibited a weak positive correlation with both. Students with higher evaluativism tended to enjoy writing more and to assess themselves as good writers. Upper-level students were less absolutist and marginally more evaluativist than first-year students.

Woman-to-woman advice on identifying—and dumping—bad news guys No one is immune when it comes to destructive relationships. Even smart women can be gaslighted by men who appear supportive in public but are belittling in private, after which, worse yet, they assert that you're upset for no reason, that you're simply imagining the verbal abuse and incremental death of your spirit. In He's Just No Good for You, best-selling author Beth Wilson, with psychologist Dr. Maureen Hannah, zeroes in on the heart of the matter—women's well-being and self-worth—and sets forth a clear vision of just what a healthy relationship looks like. She also instructs women of all ages on installing “early detection” warning systems in their brains. As for those women already enmeshed in a destructive relationship, this book, with its reassuring, empowering style, can assist in identifying the problem, deciding whether to leave or to stay, and then acting on that decision. Most books about bad relationships focus on compatibility or domestic violence. He's Just No Good for You is for all women who have found themselves wondering if the “great” guy others see at their side is in fact not so great—or worse. Wilson explores the anatomy of a destructive relationship and provides clear profiles of bad news individuals. And she shows women how they can move beyond the grasp of a harmful relationship by taking a candid look at their priorities, their circumstances, and themselves. Drawing on the wisdom and insight Wilson has long utilized in her thriving private practice, and building on her previous best-selling books, along with Dr. Hannah's professional expertise, He's Just No Good for You offers women a new path. Women want more out of relationships—and this book shows them that they can have it.

This razor-sharp novel from Printz Honor winner and Morris Award finalist Jessie Ann Foley will appeal to fans of Rory Power and Mindy McGinnis. Mia is officially a Troubled Teen[]— she gets bad grades, drinks too much, and has probably gone too far with too many guys. But she doesn't realize how out of control she seems until she is taken from her home in the middle of the night and sent away to Red Oak Academy, a therapeutic girls' boarding school in the middle of nowhere. While there, Mia is forced to confront her painful past at the same time she questions why she's at Red Oak. If she were a boy, would her behavior be considered wild enough to get sent away? But what happens when circumstances outside of her control compel Mia to make herself vulnerable enough to be truly seen? Challenging and thought-provoking, this stunning contemporary YA novel examines the ways society is stacked against teen girls and what one young woman will do to even the odds.

For fans of P is for Pterodactyl comes this groundbreaking spin on the ABCs from an acclaimed bestselling author and artist duo! Here's a totally twisted take on the alphabet that invites readers to look at it in a whole new way: An A is an H that just won't stand up right, a B is a D with its belt on too tight, and a Z is an L in a tug-of-war fight! Twenty-six letters, unique from each other --and yet, every letter looks just like one another! Kind of like...one big family. From two bestselling masters of wordplay and visual high jinks comes a mind-bending riddle of delightful doppelgängers and surprising disguises that reveal we're more alike than we may think. You'll never look at the alphabet the same way again!

When Alexander feels mad or dad he wants to move to Australia. But most of the time he likes it right where he is. So when his mom and dad say that they're moving a thousand miles away, Alexander decides that he's not going. Never. Not ever. No way. Uh uh. N.O. For how can he leave his best friend or his favorite sitter or Seymour the cleaners? he'd rather stay and live in a tree house or cave. And even though Nick calls him puke-face and Anthony says he's immature, he's not (Do you hear me? I mean it!) going to move.
