An Imperial captain must confront an ancient treachery. Lucius Varro, a captain in the Fourth Army, is about to have the worst day of his life. Wounded, poisoned in battle and fearing for his life, he stumbles upon a plot that reaches deep into the past and the roots of everything in which he believes. Accompanied by a young engineer from his unit and the daughter of his commander in chief, he begins to unpeel layers of treachery and murder that threaten not only himself, but the people that he loves. Varro is determined to find his betrayer, but the poison is incurable, and there isn't much time left... Ironroot is set twenty years after the events of the first Tales of the Empire novel, Interregnum. Inspired by Roman history, this is an evocative and action-packed tale of treason and revenge, sure to delight fans of Conn Iggulden, Bernard Cornwell and Simon Scarrow.

The bestselling historical fantasy series, now collected in a special omnibus edition. Epic military campaigns, the strong bonds of brothers in arms and the struggle for justice in a world where emperors are overthrown, destinies challenged and war is constant... All six novels in this explosive and unputdownable series are included. Readers of Simon Scarrow, Conn Iggulden and George R.R. Martin will love The Tales of the Empire.

Can the Empire survive its most awesome challenge yet? Aram of the Inda, a scattered people, has seen his lands pillaged, his sons taken and his empire crushed by the all-powerful Jade Empire. Its numberless armies have crushed the disunited Inda, swarming in from the East. But to the West lies another power, the Empire, ruled by mad Emperor Bassianus. And something powerful is stirring in the wild mountains... Power abhors a vacuum, and the Inda lands are now fair game. The stage is set for a showdown of cataclysmic proportions. Aram and his sons will find themselves at the heart of events that will shake empires to their very foundations. This clash of titans is the blood-curdling conclusion to S.J.A Turney's Tales of the Empire, perfect for fans of Simon Scarrow, Ben Kane and Gordon Doherty.

In the first of an extraordinary series from bestseller S.J.A. Turney, the fate of Empire hangs in the balance... Istanbul, 1481: The once great city of Constantine, a strange mix of Christians, Turks and Jews, now forms the heart of the Ottoman empire. The conquest, still a recent memory, means emotions run high; danger is never far away. Skiouros and Lykaion, sons of a Greek farmer, are conscripted into the infamous Janissary guards and taken to Istanbul. As Skiouros escapes into the Greek quarter, Lykaion remains with the slave chain, becomes an Islamic convert and guards the Imperial palace. But one fateful day Skiouros picks the wrong pocket and begins to unravel a plot reaching to the highest peaks of Imperial power. He and

his brother are left with the most difficult decision faced by a conquered Greek: is the rule of the Ottoman Sultan is worth saving? The epic and unputdownable first book in S.J.A. Turney's Ottoman Cycle, *The Thief's Tale* is perfect for readers of Simon Scarrow, Conn Iggulden and Bernard Cornwell.

For the glory of Empire! At the Empire's northern edge lies Alba: strange, savage, unconquerable. Twenty years ago this rain-sodden island defeated a huge Imperial army. Now the Empire returns. Disgraced generals are looking for vengeance. Their forces are accompanied by three promising Tribunes: warlike Bellacon, intelligent Convocus and the joker in the pack, Cantex. As the armies journey into the interior, it becomes clear all is not as it seems. Beyond the realms of the Emperor, treachery is never far away. The invasion will be harder than anyone could have imagined. Can the Tribunes triumph against the odds? Or is this the very limit of Empire? Explosive and unputdownable, *Invasion* is perfect for fans of Simon Scarrow, Conn Iggulden and George R.R. Martin.

A forbidden love. A daring escape. A gathering storm. Forty years have passed since the Empire was restored. Emperor Kiva the Golden, his wife Jala Parishid, and his brother Marshal Quintillian have together overseen decades of peace and prosperity, a time when the horrors of the civil war could begin to fade from memory. But nothing can last forever. A forbidden love drives Quintillian from the capital far into the eastern deserts, where he discovers an unprecedented threat to the Empire's very survival. And when Jala is kidnapped by a sinister and ruthless group of warriors, it will take all of Kiva's strength to defend her, his people, and their destiny... Set in a world inspired by Roman history, *Insurgency* is a sweeping tale of deception, cunning, and military valour, ideal for readers of Matthew Harffy, Simon Scarrow, and K. M. Ashman.

An epic battle of the Reconquista; a personal struggle to survive; a fight for glory. War is brewing, and the Pope has summoned a crusade. The nations of Christendom are rallying to fight the Almohad caliphate, but they are a formidable foe. Meanwhile, behind Moorish lines, a fortress held by Castile is under siege. As the siege falls, a knight is lost. Arnau leaves on a dangerous, near-suicidal quest to save him, a new squire in tow. In the heat of the sierras though, things are not as they seem. War is coming to Iberia and all will be tested. Arnau's sword arm will need practice, as will his mind. A riveting and brutal historical adventure, the latest instalment of S.J.A Turney's *Knights Templar* series, perfect for fans of Bernard Cornwell and Conn Iggulden.

The wolves of Odin sail to the centre of the world: Constantinople. AD 1041. After successfully avenging the death of his father, Halfdan and the crew of the *Sea Wolf* seek adventure in strange new lands, far from their Scandinavian home. They join the fleet of Harald Hardrada, the legendary Viking commander, sailing back to Constantinople from the battlefields of Georgia. There they join the Varangians, the personal bodyguard of the Byzantine Emperors populated almost exclusively by Viking warriors. But Constantinople has changed during Hardrada's long absence. The Emperor, Michael IV, is ailing visibly, and powerful factions in his court are setting their plans in motion ahead of his inevitable demise. While courtiers scheme, elements even within the Varangian Guard are picking sides. Gunnhild, the seer among the *Sea Wolf* crew, has struck out on her own in the big city. Unable to join the all-male Guard alongside her friends, she establishes herself in a small side-street near the port as a healer and soothsayer, offering cures to the sick and glimpses of the future to the desperate, or the conspiratorial. But in all her visions she sees a wolf, a boar and a golden bear fighting together to support the Byzantine throne. The Norns aren't finished with them yet... The epic

second instalment in the Wolves of Odin series, taking us to the heart of power in Constantinople and the desperate machinations of the Byzantine emperors. Perfect for fans of Bernard Cornwell, Giles Kristian and Angus Donald.

The wolves of Odin have been unleashed: the hunt has begun. Anno Domini 1040. Christianity has swept unstoppably across Scandinavia, leaving few enclaves of the old ways clinging on to their fading world as King Olof of Sweden works to convert his people. A young warrior, Halfdan, has witnessed the 'mercy' of the Christian lords, watched his people attacked, his village burned and the Odin stone toppled as heretical. Watched his father cut down by an ambitious Christian jarl and his zealous priest. Among the ashes of his world he vowed an oath of vengeance before all the gods. That oath will bring together an unlikely band of allies and carry them to the very edge of the world, fighting giants, dragons and wraiths, in pursuit of his father's killer: Yngvar. The jarl is powerful, and the weaving of Fate difficult, but the blood price must be paid. A compelling and explosive novel of revenge, this is a major new series from S.J.A. Turney. Perfect for fans of Bernard Cornwell, Giles Kristian and Angus Donald. Praise for Blood Feud 'Si Turney is a natural born storyteller, gifted, brilliant and utterly enthralling. Blood Feud tells the story of a young Norse warrior, Halfdan, who swears to avenge the murder of his father. The reader is almost immediately immersed into the action, swept away into the dragon-ship beside Halfdan and his tough, salty and occasionally hilarious crew of Vikings... An intelligent, fast-paced but finely crafted novel of battle, comradeship and bloody revenge – with some surprising twists along the way. Highly recommended to all those who enjoy a superior Viking adventure yarn!' Angus Donald, author of The Last Berserker 'SJA Turney's new Viking epic is a bone-crunching good time! A resourceful young warrior on a quest for vengeance takes to the sea with a dragon long-ship and a motley band of new friends, fighting old enemies, foreign wars and the mysterious workings of fate at every new turn of the tide. Blood Feud is sure to thrill those mourning the end of Bernard Cornwell's Saxon Stories' Kate Quinn, author of The Rose Code 'A rich combination of saga and quest, religion and violence, with a satisfying conclusion that paves the way for further adventures' Ruth Downie, author of the Medicus series

Winter, 48 BC. Caesar and his small force are trapped in the Egyptian city of Alexandria. Caught up in the dynastic struggles of the House of Ptolemy, the consul has sided with the clever and ruthless Queen Cleopatra. Her brother and fellow monarch Ptolemy XIII languishes in the palace, a hostage of Caesar's, while a huge army under the command of the Egyptian general Achillas closes on the city to free him. With both the future of this ancient land and the safety of Caesar and his men at stake, Fronto and his friends face the terrible task of holding an unfamiliar city under siege, in the desperate hope that reinforcements will reach them before the enemy break in. But Egyptian reinforcements gather too, and with the interference of the youngest princess, Arsinoë, the future is far from written. Trapped, besieged and outnumbered, time is running out for the Romans, as shadows loom across the sands of Egypt
