The Gypsies will generally affect Europe as aliens. With this belief, the Nazis needed to determine who was "pure" Roma and who was "mixed." Thus, in 1936, the Nazis established the Racial Hygiene and Population Biology Research Unit, with Dr. Robert Ritter at its head, to study the Roma "problem" and to make recommendations for Nazi policy.

Josie is unhappy that Diana Barry has formed such a strong friendship with Anne. Mostly, Josie is jealous of the attention Anne receives from Gilbert Blythe. However, over the course of the series, Josie has become friendlier towards Anne. An example is when she told Anne about her period that happened shortly after hers.
