Journalism is the production and distribution of reports on current events based on facts and supported with proof or evidence. The word journalism applies to the occupation, as well as citizen journalists who gather and publish information based on facts and supported with proof or evidence. Journalistic media include print, television, radio, Internet, and, in the past, newsreels.

~~Journalism - Wikipedia~~

Journalism, the collection, preparation, and distribution of news and related commentary and feature materials through such print and electronic media as newspapers, magazines, books, blogs, webcasts, podcasts, social networking and social media sites, and e-mail as well as through radio, motion pictures, and television.
