The second Samaria book, "Jovah's Angel" surprised me from the beginning. I had expected a continuation of the lives of Rachel and Gabriel, instead Shinn has created a novel of the same world that could actually stand alone.

**Jovah&apos;s Angel (Samaria, #2) | micamonthgrumasagretoru**  
While I greatly enjoyed Sharon Shinn's "Archangel," the first book in the "Samaria" series, I was a little disappointed that the nature of Jovah wasn't addressed (the back of the book and the introductory blurb at the beginning pretty much give it away, so it's not much of a secret to the reader) and couldn't help but be annoyed by the abrasive, bratty nature of the female protagonist.

National bestselling author Sharon Shinn returns to the compelling world of Samaria in an extraordinary novel of angels and mortals, music and mystery, science and faith... More than a hundred years after the time of Rachel and Gabriel, Samaria is in deep turmoil. Charismatic Archangel Delilah has been injured and forced to give up her position, and she has been replaced by shy, uncertain Alleluia.  
**Angel Ser.: Jovah's Angel by Sharon Shinn (1998, Mass ...**  
Two hundred years ago, the god Jovah created a legion of land-dwelling angels, led by an appointed Archangel. Now, Jovah has a new appointee: Archangel Gaaron. For his life-mate, his Angelica, Jovah has chosen a woman named Susannah. Slowly, an unspoken affection develops between the two.

Sequel to Shinn's Archangel (1996), set on colony planet Samaria—the inhabitants of which are watched over by genetically engineered winged angels who intercede with Jovah (regarded as God by the colonists) to improve Samaria's miserable climate.

National bestselling author Sharon Shinn returns to the compelling world of Samaria in an extraordinary novel of angels and mortals, music and mystery, science and faith... More than a hundred years after the time of Rachel and Gabriel, Samaria is in deep turmoil. Charismatic Archangel Delilah has been injured and forced to give up her position, and she has been replaced by shy, uncertain Alleluia. What's worse, ungovernable storms are sweeping across the country, and the god never seems to hear the angels' pleas to abate the bad weather. Unless those prayers are offered by the new Archangel...  
Injured, Jovah, the reigning archangel, chooses Alleluia to be her successor, but her fate and the fate of the planet may depend on a mortal man who believes only in science  
From national bestselling author Sharon Shinn comes a stunningly beautiful novel of a distant future—where the fate of the world rests on the voice of an angel... Through science, faith, and force of will, the Harmonics carved out for themselves a society that they conceived as perfect. Diverse peoples held together by respect for each other. Angels to guard the mortals and mystics to guard the forbidden knowledge. Jehovah to watch over them all... Generations later, the armed starship Jehovah still looms over the planet of Samaria, programmed to unleash its arsenal if peace is not sustained. But with the coming of an age of corruption, Samaria's only hope lies in the crowning of a new Archangel. The oracles have chosen Gabriel for this honor, and further decreed that he must first wed a mortal woman named Rachel. It is his destiny and hers. And Gabriel is certain that she will greet the news of her betrothal with enthusiasm, and a devotion to duty equal to his own. Rachel, however, has other ideas... Winner of the William Crawford Award for Achievement in Fantasy Nominated for the John W. Campbell Award for Best New Writer

Legend has it that the Alleluia Files contain the truth about the god of Samaria. Now, a child raised in captivity among the angels will journey the length and breadth of her world to seek the documents that will alter the face of Samaria forever...  
Archangel Gaaron and his chosen life-mate, Susannah, risk everything to stop a mysterious group of black-clad strangers who bring down fire from the sky, destroying everything in their wake, as the fate of the entire world hangs in the balance. Reprint.  
Tales of alpha angels...from four alpha authors. They soar through the night, unearthly creatures of legends and lore. Four masters of urban fantasy and paranormal romance explore the rapture of the heavens above, and the darkness below in four all-new stories of angels and guardians, and good and evil.  
National bestselling author Sharon Shinn introduces a rich new fantasy world, one in which people believe that five essential elements rule all things and guide their lives.

Jenna Starborn was created out of frozen embryonic tissue, a child unloved and unwanted. Yet she has grown up with a singularly sharp mind—and a heart that warms to those she sees as less fortunate than herself. This novel takes us into Jenna Starborn's life, to a planet called Fieldstar, and to a property called Thorrastone—whose enigmatic lord will test the strength of that tender and compassionate heart.  
The award-winning author returns to Samaria in this richly romantic tale that begins where Archangel left off. In that time, the women who craved the attention of angels were known as angel-seekers, a term used with awe by some—and scorn by others.  
Chronicles the story of Coriel Halsing, who had spent many glorious summers with her half-sister at Castle Auburn chasing and falling in love with a handsome prince who could never be hers, but now that she is grown she begins to understand the dark side of the magical palace. Reprint.
