A threat to humanity portending the end of our species lurks in thecold recesses of space. Our only hope is an eleven-year-old boy. Celebrating the long-awaited release of the movie adaptation ofOrson Scott Card's novel about highly trained child geniusesfighting a race of invading aliens, this collection of originalessays probes key philosophical questions raised in the narrative,including the ethics of child soldiers, politics on the internet,and the morality of war and genocide. Original essays discuss the diverse philosophical questionsraised in Card's best-selling sci-fi classic, winner of theNebula and Hugo Awards and which has been translated in 29languages Publication coincides with planned release of major motionpicture adaptation of Ender's Game starring AsaButterfield and Harrison Ford Treats a wealth of core contemporary issues in morality andethics, including child soldiers, the best kind of education andthe use and misuse of global communications for politicalpurposes A stand-out addition to the Blackwell Philosophy and PopCulture series

"The classic of modern science fiction"—Front cover.

Included in this Orson Scott Card ebook bundle: Ender's Game and Ender's Shadow Ender's Game Andrew [Ender] Wiggin thinks he is playing computer simulated war games, at Earth's elite military academy, the Battle School; he is, in fact, engaged in something far more desperate. Ender may be the military genius Earth desperately needs in a war against an inscrutable alien that seeks to destroy all human life. The only way to find out is to throw Ender into ever harsher training, to chip away and find the diamond inside, or destroy him utterly. Ender Wiggin is six years old when it begins. He will grow up fast. Ender's Game is an international bestseller, read and loved by generations. It has been named one of the top ten science fiction novels of all time. Ender's Shadow Andrew "Ender" Wiggin was not the only child in the Battle School; he was just the best of the best. In Ender's Shadow, Card tells the story of another of those precocious generals, the one they called Bean—the one who became Ender's right hand, part of his team, in the final battle against the Buggers. Bean's past was a battle just to survive. His success brought him to the attention of the Battle School's recruiters, those people scouring the planet for leaders, tacticians, and generals to save Earth from the threat of alien invasion. Bean was sent into orbit, to the Battle School. And there he met Ender.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Orson Scott Card brings us back to the very beginning of his brilliant Ender Quartet, with the novel that begins The Shadow Series and allows us to reenter Ender's world anew. With all the power of his original creation, Ender's Shadow is Card's parallel volume to Ender's Game, a book that expands and complements the first, enhancing its power, illuminating its events and its powerful conclusion. The human race is at War with the "Buggers", an insect-like alien race. The first battles went badly, and now as Earth prepares to defend itself against the imminent threat of total destruction at the hands of an inscrutable alien enemy, all focus is on the development and training of military geniuses who can fight such a war, and win. The long distances of interstellar space have given hope to the defenders of Earth—they have time to train these future commanders up from childhood, forging then into an irresistible force in the high orbital facility called the Battle School. Andrew "Ender" Wiggin was not the only child in the Battle School; he was just the best of the best. In this new book, card tells the story of another of those precocious generals, the one they called Bean—the one who became Ender's right hand, part of his team, in the final battle against the Buggers. Bean's past was a battle just to survive. He first appeared on the streets of Rotterdam, a tiny child with a mind leagues beyond anyone else's. He knew he could not survive through strength; he used his tactical genius to gain acceptance into a children's gang, and then to help make that gang a template for success for all the others. He civilized them, and lived to grow older. Bean's desperate struggle to live, and his success, brought him to the attention of the Battle School's recruiters, those people scouring the planet for leaders, tacticians, and generals to save Earth from the threat of alien invasion. Bean was sent into orbit, to the Battle School. And there he met Ender.... THE ENDER UNIVERSE Ender series Ender's Game / Ender in Exile / Speaker for the Dead / Xenocide / Children of the Mind Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight Children of the Fleet The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm /The Hive Ender novellas A War of Gifts /First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

†Your father is the American Chaplin.† -- Groucho Marx (speaking to Gary Hall) †Huntz Hall was a complicated person: extremely generous and loving on the one hand, scarily angry and violent on the other. I think the hardest thing for me was the absolute disappearance from my life of a father beginning in the 6th grade and lasting until I got out of high school†I have a priest friend who says you can't really grow up until you forgive your parents. As I get older I understand my father much better † he was emotionally deprived as a kid, and then he was unprepared for fame and money when they arrived in his teenage years. So he didn't have the skills to be a parent. He did the best he could with the emotional equipment he had.† -- Rev. Gary Hall (Huntz Hall's son) Behind Sach: The Huntz Hall Story presents the life of the actor who made us laugh with his unforgettable and unique persona of Horace DeBussy Jones, better known simply as [Sach.] This is the story of Huntz Hall, who played the zany character in forty-eight Bowery Boys films from the 1946 thru 1958. Someday Hall will be lauded as surely a comic genius as Chaplin. This biography is based upon never before revealed information provided by his only son. It offers a respectful portrait and appreciation of Hall's personal life and an examination of the comedy moments of his beloved Sach.

Macquarie Revision Guides is a series of study aids written and recommended by teachers in NSW. Each guide presents a clear and up-to-date review of coursework and skills needed to do well in exams. Students, tutors, teachers and parents will find the practical approach of this series an essential support to the competitive final years of school study.

This absorbing study is the first full-length treatment of Orson Scott Card, the only writer to thus far receive the prestigious Hugo and Nebula awards two years in a row. Collings examines the unique vision and literary achievements of this writer, a consummate storyteller who uses the medium of science fiction and fantasy to give shape to his deepest religious beliefs and moral convictions. His major novels, including Seventh Son, Songmaster, and Wyrms, are discussed, together with many of his short stories and his critical articles, poetry, and plays.

What is your purpose? Finding your purpose in the world can be a challenging pursuit. It helps to understand the greater story around you. Whether we realize it or not, we all have an internal belief systema worldviewwhich directs our thoughts and actions. Our worldview is how we understand the world around uswhere we came from, how we should live, and what our purpose is. Examining your personal worldview in light of God's Master Story can strengthen your faith and clarify your purpose in this world. Finding Your Part in God's Master Story is an interactive study for individual or group use that explores different ways Christians view their world and encourages all Christians to have a consistent, comprehensive, and biblical worldview. Your view of the world shapes every part of your life. It's time to take control and shape your worldview!

The Authorized Ender Companion is a complete and in-depth encyclopedia of all the persons, places, things and events in Orson Scott Card's Ender Universe. Written by Jake Black under the editorial supervision of Card himself. The Authorized Ender Companion will be an invaluable resource for readers of the series. If you ever wondered where Ender went after he left Earth, before he arrived at Lusitania, you'll find the answer here. If you ever wondered how the battle room worked, you'll find the answer here. If you forgot the names of the people were who discovered the descolada, the answer is here. The history of Gloriously Bright's world? Here. The Authorized Ender Companion contains all that and more. There are character biographies, time-lines, colony histories, and family trees. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
