\"Madness in Civilization\" is a landmark study, as authoritative as it is readable in its account of the devastatingly sad understorey of human society. It's enraging, intensely unsparing reading, but it's a masterpiece.\" .\"—Steve Donoghue, \"Open Letters Monthly\" \"\"Madness in Civilization\" entirely deserves the applause it has received.

Madness in Civilization: A Cultural History of Insanity ...

Madness in Civilization: A Cultural History of Insanity, from the Bible to Freud, from the Madhouse to Modern Medicine. The loss of reason, a sense of alienation from the commonsense world we all like to imagine we inhabit, the shattering emotional turmoil that seizes hold and won't let go-these are some of the traits we associate with madness. Today, mental disturbance is most commonly viewed through a medical lens, but societies have also sought to make sense of it through religion or the ...

Madness in Civilization: A Cultural History of Insanity ...

Madness in Civilization is a brilliant, provocative, and hugely entertaining history of the treatment and mistreatment of the mentally ill. Packed with bizarre details and disturbing facts, Andrew Scull's book offers fresh and compelling insights on the way medicine's inability to solve the mystery of madness has both haunted and shaped two thousand years of culture.

Madness in Civilization: Amazon.co.uk: Andrew Scull ...

I expected Madness in Civilization to be fascinating. A survey of the conception of insanity throughout the ages could hardly be anything but, and Scull's masterful (and thoroughly, gorgeously endnoted) research turns up gem after horrifying gem about the plight of the mad in society.

Madness in Civilization: The Cultural History of Insanity ...

Madness and Civilization: A History of Insanity in the Age of Reason is an examination by Michel Foucault of the evolution of the meaning of madness in the cultures and laws, politics, philosophy, and medicine of Europe—from the Middle Ages until the end of the 18th century—and a critique of the idea of history and of the historical method. Although he uses the language of phenomenology to describe the influence of social structures in the history of the Othering of insane people from ...

Madness and Civilization - Wikipedia

The answer to this question is to be found in two images that Andrew Scull uses in Madness in Civilization. They symbolise the moral argument that lies at the heart of his book. The first is to be found on page 317, taken from the second edition of Freeman and Watt's book, Psychosurgery. It shows a naked female patient being restrained and manhandled by two nurses as she mounts a futile attempt to resist being taken down for lobotomy.

Madness in Civilization: A Cultural History of Insanity ...

Beautifully illustrated throughout, Madness in Civilization takes readers from antiquity to today, painting a vivid and often harrowing portrait of the different ways that cultures around the world have interpreted and responded to the seemingly irrational, psychotic, and insane. From the Bible to Sigmund Freud, from exorcism to mesmerism, from Bedlam to Victorian asylums, from the theory of humors to modern pharmacology, the book explores the manifestations and meanings of madness, its ...
