The Higher Level Mathematics examination is 2 hours 30 minutes in duration. It comprises two separate papers, one calculator and one non-calculator paper. No formulas given in the exam. A maximum of 140 marks is awarded over the two papers. Students need to study the full syllabus.

Maths Higher - Equivalency Testing

Further Mathematics is the title given to a number of advanced secondary mathematics courses. The term "Higher and Further Mathematics", and the term "Advanced Level Mathematics", may also refer to any of several advanced mathematics courses at many institutions. In the United Kingdom, Further Mathematics describes a course studied in addition to the standard mathematics AS-Level and A-Level courses. In the state of Victoria in Australia, it describes a course delivered as part of the Victorian

Further Mathematics - Wikipedia

The overlap between the two tiers is now at grades 4 and 5, which is a higher level than for the previous qualification (which was grades C and D). The content weightings between the two tiers have also changed and are certainly worth bearing in mind in tiering decisions.
